

## **Minutes – Arena Advisory Commission**

November 18, 2013 @ 7:30pm  
Rochester Ice Arena

Attendance: Chris Bowlen, Anne May, David Anctil, Dale Bickford, Richard Clough, David Colson, Joan Stroger and Bob Brown.

Motion to accept October minutes by Dale Bickford. Second by David Anctil. Vote unanimous.

Department financials in line with expectations for this point in the season.

Chris Bowlen provided a review of the CIP items. Commissioners asked a number of questions about potential roof snow removal. Installation of sensors to better gauge roof load vs. unnecessary spending for snow removal under consideration. Continuing the CIP review Chris Bowlen has set up a roof test (called pull test) by a Roof Engineering Firm in order to determine actual weight load limits and current over all condition. New roof most likely down the road.

Commissioners echoed praise to arena staff and public works for emergency repair of a bathroom situation.

Balance of meeting was a walking review of work completed and projects under way. Those in attendance expressed what a great job the combined Rec. & Arena staff did to transform the front of the building into a lovely meeting /party room. Lots of possibilities envisioned.

Motion to adjourn by Clough at 8:17pm. Second by Colson. Vote unanimous.

Next meeting December 9, 2013.
