Mayor Jean called the City Council Public Hearing to order at 7:01 PM. Assistant City Clerk Nancy Carignan took a silent roll call. All members were present with the exception of Councilor Hervey and Councilor Hynes, who were excused.

## **2] Public Input**

Fred Leonard, resident, addressed the City Council with his concerns on the operating budget and spending to the tax cap. He explained that he disagreed with monies going to the Opera House and cited why.

Mr. Leonard stated his concerns with businesses moving out of Rochester, such as Art Stream and what types of businesses are coming into the City

Mr. Leonard stated that when he looked at the CIP budget, referring to the Police Annex and East Rochester School; that maybe it was not the right time due to the economy. He was concerned that the City had not looked at school consolidation in regards to the East Rochester School due to the fact the demographics show enrollment is down. He went on to explain his reasons for this citing these issues.

Mr. Leonard thanked the City Council for their time and consideration.

Michelle Paradis, resident, seconded Mr. Leonard's comments. She addressed the City Council on her thoughts regarding the East Rochester School and she explained that her son had attended this and he did not have any issues there that he would not have had at any other school, stating nothing out of the normal. She wanted to know if the City had looked at all avenues.

Diane Wood, resident, explained that she researched the City of Dover in regards to the CIP when it came to schools and cited that they only have three schools and Rochester should address consolidation verses a 13,000,000 renovation to the East Rochester School. She is concerned with this because taxes affect the whole community. She also expressed her concerns with the tax cap.
