**10.3 Finance Committee**

**10.3.1 Resolution Authorizing Allocation of \$600,000.00 from ARPA Funds for the Route 202A Water Main Extension Project *first reading and consideration for adoption***

Councilor Lachapelle **MOVED** to read the resolution for a first time by title only. Councilor Walker seconded the motion. The **MOTION CARRIED** by a unanimous voice vote. Mayor Lauterborn read the resolution for a first time by title only as follows:

**Resolution Authorizing Allocation of \$600,000.00 from ARPA Funds  
for the Route 202A Water Main Extension Project**

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF  
ROCHESTER, AS FOLLOWS:**

That City hereby allocates Six Hundred Thousand Dollars (\$600,000.00) from the ARPA Funds to pay costs associated with the Route 202A Water Main Extension Project.

To the extent not otherwise provided for in this Resolution, the Finance Director is hereby authorized to designate and/or establish such multi-year, non-lapsing accounts and/or account numbers as necessary to implement the transactions contemplated by this Resolution.

Councilor Walker **MOVED** to **ADOPT** the resolution. Councilor Lachapelle seconded the motion.

Councilor Rice questioned if there had been a public hearing scheduled to allow the public to weigh in on how the ARPA funds are allocated. He understood that the City is the custodian of the funds; however, he wished to have the public more involved. He said prior to voting on expending these funds, it seems reasonable to hear from the public. Mayor Lauterborn replied that there is no requirement to hold a public hearing on the expenditure of ARPA funds. City Manager Cox agreed that it is not required by statute; however, it is up to the City Council, if it desires, to hold such a public hearing on these funds.

Councilor Rice stated that he would not vote upon this expenditure until the public had an opportunity to voice its opinion. Mayor Lauterborn recalled that this had been on the agenda at the Finance Committee, which did have an opportunity for public comment.

Mayor Lauterborn called for a vote on the motion. The **MOTION CARRIED** by a majority voice vote.

**10.3.2 Resolution Authorizing Allocation of  
\$2,000,000.00 from ARPA Funds for the  
Water Transmission Main Lining Project *first  
reading and consideration for adoption***

Councilor Lachapelle **MOVED** to read the resolution by title only for a first time. Councilor Walker seconded the motion. The **MOTION CARRIED** by

a unanimous voice vote. Mayor Lauterborn read the resolution by title only for a first time as follows:

**Resolution Authorizing Allocation of \$2,000,000.00 from ARPA Funds for the Water Transmission Main Lining Project**

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ROCHESTER, AS FOLLOWS:**

That City hereby allocates Two Million Dollars (\$2,000,000.00) from the ARPA Funds to pay costs associated with the Water Transmission Main Lining Project.

To the extent not otherwise provided for in this Resolution, the Finance Director is hereby authorized to designate and/or establish such multi-year, non-lapsing accounts and/or account numbers as necessary to implement the transactions contemplated by this Resolution.

Councilor Walker **MOVED** to **ADOPT** the resolution. Councilor Lachapelle seconded the motion.

Councilor Rice reiterated his concerns about expending such a large portion of the ARPA funds without holding a public hearing. Councilor Rice **MOVED** to send this resolution to a public hearing.

Councilor Lauterborn explained that this is not a new project. This project is part of the current CIP budget and the City had a budget plan of expending approximately \$400,000 per year over the next several years for this project. She said the public did have time to speak upon this project at the budget workshops and Budget Public Hearing this past spring. Councilor Hutchinson seconded the motion to refer the matter to a public hearing.

Councilor Abbott inquired regarding the total amount of ARPA funds available to the City of Rochester. Mayor Lauterborn replied that the amount is over \$6,000,000.00. She said these are the only two projects that the Finance Committee has chosen from the list of priority projects. The total amount of these two projects does not equal half of the available ARPA funds.

Councilor Hutchinson agreed with the statements made by Councilor Rice and he questioned if there was any urgency on the part of City staff to get this project passed this evening. Mayor Lauterborn replied that the project was not urgent; however, once the project is accepted then the Department of Public Works could begin working on the project immediately.

Councilor Walker clarified that if a Councilor would like to vote on the main motion of adoption then they should vote "no" on the motion to refer the matter to a public hearing.

Councilor Hailey said it states that these pipes were originally installed in 1890. She questioned if the pipes had been updated since installation. Mayor Lauterborn replied no. She added that if/when the project is completed, the project should last another 100 years.

Councilor Hailey asked where this pipeline is located. Commissioner Nourse replied that this is one of three major drinking water transmission lines. He gave details about the underground waterline that begins at the drinking water treatment plant and leads directly into the City through Washington Street.

Councilor Hailey asked if this project would prevent the new pipe from breaking or preventing new minerals from getting into the drinking water. Commissioner Nourse replied that both were true. He said the original pipe is constructed of cast iron and is very old. It was constructed at least fifty years prior to the start of the chlorinated water treatment process now in place. The project is not urgent; however, it has been left unaddressed for decades and needs to be addressed soon. He gave details about the materials to be used on the new pipe, which is expected to add at least fifty to seventy-five years to a typical pipeline.

Councilor Bogan asked, if these funds were approved this evening, when the project would begin. She further questioned if delaying the project for another month would have much of an impact on the project. Commissioner Nourse confirmed that the project is not likely to begin that soon; however, it should begin in the near future.

Councilor Rice reiterated that the Commissioner has confirmed that it is not vital that the project be passed this evening. He hoped the City Council would see fit to hold a public hearing on this matter. Mayor Lauterborn clarified that this is not a new project. Councilor Jean agreed and said the project is included with the FY 22 Budget CIP Projects and the public could find all CIP projects on the City's website, under the Finance Department. He said at this point, the project has been on record dating back to 2011 and it is becoming a public safety/health concern. Councilor Hutchinson agreed; however, the City Council has held public hearings for the expenditure of CDBG funds for less money than is being allocated to this project. He agreed that this is a safety/health issue; however, the project is estimated at \$2,000,000 and the public deserves a chance to speak on the matter at a public hearing.

Mayor Lauterborn called for a vote upon the motion to delay the project and to refer the matter to a public hearing. The **MOTION FAILED** by a 4 to 8 roll call vote. Councilors Hainey, Rice, Hutchinson, and Councilor Hunt-Hawkins voted in favor of the motion. Councilors Jean, Abbott, Walker, Gray, Lachapelle, Bogan, Hamann, and Mayor Lauterborn voted against the motion.

Councilor Rice announced that he would be voting in favor of the project even though he wished it had been referred to a public hearing. He added that public drinking water is a public health concern.

Mayor Lauterborn stated that at this point, more than half of APRA funds remain and the Finance Committee has no recommendations on projects to bring forth at this time. She said this leaves the remaining projects on the list to be chosen and voted upon by the new City Council next year.

Mayor Lauterborn called for a vote upon the motion to adopt the resolution. The **MOTION CARRIED** by a unanimous voice vote.

**10.3.3 Committee Recommendation: To direct the City Manager to proceed with the creation of the Community Health Coordinator position job description *consideration for approval***

Mayor Lauterborn said there is a recommendation to direct the City Manager to proceed with the creation of the Community Health Coordinator position job description; however, the matter of how the position will be funded has not yet been confirmed. She reiterated that this vote is not a vote to fill the position or how it is to be funded but rather to proceed with the first step of creating the job description.

Councilor Hutchinson questioned when the public would be notified of how the position would be funded. Mayor Lauterborn replied that the job description would be sent to the Personnel Advisory Board for review and sent back to the City Council. She said this position is not currently in the FY 22 budget. It must be determined by this City Council or the next City Council if/how this position will be funded. The City Council debated the issue. Councilor Jean said the Personnel Advisory Board must first determine what Grade/Scale this position ought to be prior to determining the funding source. Mayor Lauterborn called for a vote upon the motion to approve. The **MOTION CARRIED** by a unanimous voice vote.

Mayor Lauterborn announced that due to lack of agenda items the Finance Committee has been canceled for the month of November. She added that the Finance reports would be sent via email.

## **10.4 Planning Board**

### **10.4.1 Amendment to Chapter 275 of the General Ordinances of the City of Rochester regarding Impact Fees *first reading and refer to public hearing 11/16/21***

Councilor Walker **MOVED** to read the resolution by title only for a first time and to refer the matter to a public hearing. Councilor Lachapelle seconded the motion. The **MOTION CARRIED** by a unanimous voice vote. Mayor Lauterborn read the resolution for a first time as follows:

### **REPEAL THIS ENTIRE SECTION**

#### **§ 275-27.3**

#### **Impact fees.**

- A. Purpose. This section is enacted pursuant to RSA 674:16 and 674:21: [Amended 1-7-2020]
  - (1) To assess new development for its proportionate share of the public capital facility costs.
- B. Authority. [Amended 1-7-2020]
  - (1) Impact fees may be assessed to new development to compensate the City of Rochester and the School Department for a proportionate share of the cost of the capital facility needs occasioned by new development. Any person who seeks a building permit for new development may be required to pay an impact fee in the manner set forth herein.
  - (2) The Planning Board may, as a condition of approval of any subdivision or site plan, and when consistent with applicable Board regulations, require an applicant to pay an impact fee for the applicant's proportional share of public facilities affected by the development.
  - (3) Nothing in this section shall be construed to limit the authority of the Planning Board or the City to require exactions for off-site improvements, other conditions of approval, or to assess other fees governed by other statutes, ordinances, or regulations.
- C. Definitions. For the purposes of this section, the following terms shall have the meanings indicated:

IMPACT FEE

A fee or assessment imposed upon development, including subdivision or building construction, in order to help meet the needs occasioned by that development for the construction or improvement of capital facilities owned or operated by the City of Rochester or the Rochester School Department, including and limited to water treatment and distribution facilities; wastewater treatment and disposal facilities; sanitary sewers; stormwater, drainage and flood control facilities; public road systems and rights-of-way; municipal office facilities; public school facilities; public safety facilities; solid waste collection, transfer, recycling, processing and disposal facilities; public library facilities; and public recreational facilities not including public open space. [Amended 1-7- 2020]

#### NEW DEVELOPMENT

(1) An activity that results in any one of the following:

- (a) The creation of a new dwelling unit or units;
  - (b) The conversion of a legally existing use, or additions thereto, which would result in a net increase in the number of dwelling units;
  - (c) Construction resulting in a new nonresidential building or a net increase in the floor area of any nonresidential building; or
  - (d) The conversion of an existing use to another use if such change results in an increase in the demand on public capital facilities that are the subject of impact fee assessments.
- [Amended 1-7- 2020]

(2) New development shall not include the replacement of an existing manufactured home or the reconstruction of a structure that has been destroyed by fire or natural disaster where there is no change in size, density, type of use, and where there is no net increase in demand on public capital facilities.

#### OFF-SITE IMPROVEMENTS

Highway, drainage, sewer, or water upgrades or improvements that are necessitated by a development but which are located outside the boundaries of the property, as determined by the Planning Board during the course of subdivision or site plan approval. [Added 1-7-2020]

#### D. Assessment methodology.

(1) Proportionality. The amount of the impact fee shall be calculated by the Planning Board to be a proportional share of municipal capital improvement costs which is reasonably related to the capital needs created by the development, and to the benefits accruing to the

development from the capital improvements financed by the fee. The Planning Board may prepare, adopt, or amend studies or reports that are consistent with the above standards, and which define a methodology for impact fee assessment for public capital facilities, and impact fee assessment schedules therefor.

(2) Existing deficiencies. Upgrading of existing facilities and infrastructure, the need for which is not created by new development, shall not be paid for by impact fees.

#### E. Administration.

(1) Accounting. In accord with RSA 673:16, II, and 674:21, V(c), impact fees shall be accounted for separately, shall be segregated from the City's general fund, may be spent upon order of the City Council, and shall be used solely for the capital improvements for which they were collected, or to recoup the cost of capital improvements made in anticipation of the needs which the fees were collected to meet. In the event that bonds or similar debt instruments have been or will be issued by the City of Rochester or the Rochester School District for the funding of capital improvements that are the subject of impact fee assessment, impact fees from the appropriate related capital facility impact fee accounts may be applied to pay debt service on such bonds or similar debt instruments.

(2) Assessment. All impact fees imposed pursuant to this section shall be assessed at the time of Planning Board approval of a subdivision plan or site plan. When Planning Board approval is not required, or has been made prior to the adoption or amendment of the impact fee ordinance, impact fees shall be assessed prior to, or as a condition for, the issuance of a building permit or other appropriate permission to proceed with development, as determined by the Building Inspector. Impact fees shall be intended to reflect the effect of development upon municipal and/or school facilities at the time of the issuance of the building permit. [Amended 1-7-2020]

(3) Security. In the interim between assessment and collection, the Building Inspector may require developers to post bonds, issue letters of credit, accept liens, or otherwise provide suitable measures of security so as to guarantee future payment of assessed impact fees.

(4) Collection. Impact fees shall be collected as a condition for the issuance of a certificate of occupancy. If no certificate of occupancy is required, impact fees shall be collected when the development is ready for its intended use. Nothing in this section shall prevent the Building Inspector, with the approval of the Planning Board, and the assessed party from establishing an alternate, mutually acceptable schedule of payment. [Amended 1-7-2020]

(5) Refund of fees paid. The current owner of record of property for

which an impact fee has been paid shall be entitled to a refund of that fee, plus accrued interest, under the following circumstances:

- (a) When either the full or partial portion of the impact fee, whichever is applicable, has not been encumbered or legally bound to be spent for the purpose for which it was collected within a period of six years from the date of the full and final payment of the fee; or
- (b) When the City of Rochester or, in the case of school impact fees, the Rochester School District has failed, within the period of six years from the date of the full and final payment of such fee, to appropriate its proportionate non-impact fee share of related capital improvement costs.

#### F. Appeals.

- (1) A party aggrieved by a decision made by the Building Inspector regarding the assessment or collection of impact fees authorized by this section may appeal such decision to the Planning Board.
- (2) In accord with RSA 676:5, III, appeals of the decision of the Planning Board in administering this section may be made to Superior Court, as provided in RSA 676:5, III, and 677:15.

#### G. Waivers.

The Planning Board may grant full or partial waivers of impact fees where the Board finds that one or more of the following criteria are met with respect to the particular public capital facilities for which impact fees are normally assessed:

- (1) An applicant may request a full or partial waiver of school impact fees for those residential units that are lawfully restricted to occupancy by senior citizens age 55 or over in a development that is also maintained in compliance with the provisions of RSA 354-A:15, Housing for Older Persons. The Planning Board may waive school impact fee assessments on such age-restricted units where it finds that the property will be bound by lawful deeded restrictions on occupancy by senior citizens age 62 or over for a period of at least 20 years. [Amended 1-7-2020]
- (2) A person may request a full or partial waiver of impact fees for construction within a subdivision or site plan approved by the Planning Board prior to the effective date of this section. Prior to granting such a waiver, the Planning Board must find that the proposed construction is entitled to the five-year exemption provided by RSA 674:39, pursuant to that statute. This waiver shall not be applicable to phases of a phased development project where active and substantial development, building and construction has not yet occurred in the phase in which

construction is proposed. [Amended 3-5-2019]

(3) The Planning Board may agree to waive all or part of an impact fee assessment and accept in lieu of a cash payment a proposed contribution of real property or facility improvements of equivalent value and utility to the public. Prior to acting on a request for a waiver of impact fees under this provision that would involve a contribution of real property or the construction of capital facilities, the Planning Board shall submit a copy of the waiver request to the City Council for its review and consent prior to its acceptance of the proposed contribution. The value of contributions or improvements shall be credited only toward facilities of like kind and may not be credited to other categories of impact fee assessment. The applicant shall pay all costs incurred by the City for the review of such proposal, including consultant and counsel fees.

(4) The Planning Board shall waive all of an impact fee assessment for properties located in the Downtown Commercial District, with the district boundaries defined as the boundaries that exist at the time of the approval of this amendment.

[Amended 1-7-2020]

(5) The impact fee assessment for accessory dwelling units shall be waived with the stipulation that this waiver is reviewed every two years. [Added 1-7-2020]

Councilor Walker explained that the Planning Board took a vote in March to stop charging Impact Fees all together. He said it seemed the Impact Fees were causing a burden on single-family homes currently on single-family lots and not on larger developments, as originally intended, because of grandfathered exemptions. There are approximately \$100,000 in fees collected to date and, if this resolution passes, then the money would be refunded to those individuals who paid these Impact Fees. Mayor Lauterborn stated the Public Hearing would be held on November 16, 2021.

## **10.5 Public Safety**

Councilor Hamann announced that he missed the last Public Safety meeting because he was celebrating his wedding anniversary and deferred to Councilor Lachapelle, the Vice-Chair of the Committee.

Councilor Lachapelle said the Committee did meet and discuss several items; however, there are no action items as this time. He said the Committee will meet again in two weeks to discuss all items left in Committee.

Councilor Gray stated that one of his constituents would like to discuss a Chamberlain Street speeding issue. The police speed trailer had been set

out at this location; however, it had no impact on the speeding issues. He said the constituent is willing to pay for a speed limit sign to be erected on this active street. He requested this item be added to the next agenda.

Councilor Walker **MOVED** to **ADOPT** the resolution. Councilor Lachapelle seconded the motion. Councilor Walker stated that residents of Dustin Homestead were surveyed to find out if they wished to connect to the waterline in that area. He said they took a vote upon the matter which passed. He added that the total upfront cost is \$55,000, which will be paid back to the

City by the residents in that development. Councilor Rice asked if the money would be paid back directly to the water fund. Councilor Walker replied yes. The **MOTION CARRIED** by a unanimous voice vote.

Councilor Lachapelle **MOVED** to unseal the Non-Public Minutes from August 4, 2020. Councilor Walker seconded the motion. Councilor Hainey wished to correct the spelling of her name on page 3 of the minutes. The **MOTION CARRIED** by a unanimous voice vote. Councilor Rice indicated that there is an obvious “passed” motion that is not yet circled in the minutes to indicate passage. Mayor Lauterborn stated that since it does indicate that the motion passed, it could be corrected as well.

### **13.2 Resolution Authorizing the Acceptance of a \$30,360.00 U.S. Department of Justice (USDOJ) Justice Assistance**

**Grant (JAG) and Supplemental Appropriation in Connection Therewith *first reading and consideration for adoption***

Councilor Walker **MOVED** to read the resolution for a first time by title only. Councilor Lachapelle seconded the motion. The **MOTION CARRIED** by a unanimous voice vote. Mayor Lauterborn read the resolution by title only for a first time as follows:

**Resolution Authorizing the Acceptance of a \$30,360.00 U.S. Department of Justice (USDOJ) Justice Assistance Grant (JAG) and Supplemental Appropriation in Connection Therewith**

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ROCHESTER:**

That a Thirty Thousand Three Hundred Sixty Dollar (\$30,360.00) USDOJ JAG Grant is hereby accepted by the City on behalf of the Rochester Police Department (RPD).

Further, the City Council authorizes a supplemental appropriation to the RPD operating budget in the amount of Thirty Thousand Three Hundred Sixty Dollar (\$30,360.00) with the entirety of the supplemental appropriation being derived from said Grant.

To the extent not otherwise provided for in this Resolution, the Finance Director is hereby authorized to establish and/or designate such accounts and or account numbers as are necessary to implement the transactions contemplated in this Resolution and to establish special revenue, non-lapsing, multi-year fund accounts(s) as necessary to which said sums shall be recorded.

Councilor Walker **MOVED** to **ADOPT** the resolution. Councilor Lachapelle seconded the motion. The **MOTION CARRIED** by a unanimous voice vote.

**13.3 Discussion: Willand Center Shelter Proposal (requested by Councilor Hunt-Hawkins)**

Councilor Hunt-Hawkins thanked the Mayor for allowing the discussion to be placed on the Agenda. She provided a brief history of the discussions

which took place over this past summer relative to the Willand Warming Center Proposal.

Councilor Hunt-Hawkins reviewed the original proposal to fund a full time warming center (16-weeks) which would cost approximately \$230,000. She said, since that time, many other ideas/options have been discussed. She mentioned that Community Action Partnership (CAP) might contribute funds, the State might provide some funding through the ARPA funds, or that the City might use its own ARPA funds. She questioned if the City Council had any interest in increasing their funding contribution, even if only for a one-year commitment.

Councilor Rice questioned how much funding would be needed for this proposal. Councilor Hunt-Hawkins said the original proposal was \$230,000; however, the latest proposal was reduced significantly. She added that the proposal is dependent upon the City of Dover's interest as well. She said the City of Rochester's contribution would be approximately \$60,000. She stated that any amount above last year's contribution would help.

Mayor Lauterborn clarified that the City of Rochester has a current memorandum of understanding with Dover and Somersworth for an Extreme Weather Warming Facility. She added that the City of Rochester is committed to contributing \$50,000. Mayor Lauterborn asked for clarification regarding whether or not the State would be covering a portion of the proposal with the State's ARPA funds. Councilor Hunt-Hawkins said there does not seem to be a real plan in place from the State at this time.

Councilor Walker recalled that the Somersworth City Council recently voted against the new proposal. Mayor Lauterborn replied that is true; however, she clarified that Somersworth did leave the topic open for future discussions. Mayor Lauterborn informed the City Council that the mayors/city managers from the tri-city area have been holding meetings on whether or not to amend the Memorandum of Understanding.

Councilor Hutchinson asked the Mayor to clarify, for the public, the difference between a shelter and a center and what triggers the opening of such a facility. Mayor Lauterborn stated that a shelter is a more comprehensive operation than that of a warming center. A warming center/facility would only be open due to extreme weather emergency conditions.

City Manager Cox stated that CAP brought forth a proposal to basically expand the role of the warming center to convert it into more of a seasonal shelter with operation roughly between November through April of each year; however, the current Memorandum of Understanding solely covers the warming facility, which is only triggered by extreme weather conditions. He explained that extreme weather conditions are determined by the Emergency Management Directors of the tri-city area. He said the city managers/mayors of the tri-city did meet, as previously stated, and more questions need to be clarified prior to moving forward with any proposals. He indicated that there is a meeting taking place in Dover this week, at which time CAP is expected to present more information and to clarify some of the remaining questions. He said Mayor Lauterborn and himself have committed to continue these discussions.

Mayor Lauterborn stated that it is possible that there could be a proposal brought forth at the Special City Council Meeting in November if the three mayors/city managers do come to some type of agreement; however, that is not certain at this point. Councilor Hainey asked if there was a "next" meeting scheduled at this time. Mayor Lauterborn replied no; however, any one of the three cities can call a meeting at any time.

Councilor Hunt-Hawkins expressed gratitude that the tri-city mayors and city managers have been holding such discussions. City Manager Cox added that the city managers agreed to at least touch base this coming Thursday to review the discussion being held this evening, as well as any discussions taking place at the Dover City Council this past week.

Councilor Hutchinson asked what funding source would be most appropriate if such an agreement is reached. City Manager Cox replied that there is some funding available through the Welfare Budget for homelessness, through the Contingency Fund, or through ARPA funds.

Mayor Lauterborn questioned what funding source is being used for the current obligation of \$50,000. Katie Ambrose, Deputy City Manager, said the current obligation of \$50,000 is a combination of funds through the Welfare Department and Contingency Fund; however, it has come to the City's attention that some of those funds qualify for reimbursement through the CARES Act, which would free up some additional funds.

Councilor Hunt-Hawkins thanked the Mayor for working with the tri-city mayors to ensure some type of solution is being discussed. Councilor Walker noted that it is important to act quickly prior to the start of winter.

### **13.4 Review of Chapter 275-29 of General Ordinances of the City of Rochester regarding signage *refer to Codes & Ordinances Committee***

Mayor Lauterborn informed the City Council that the review of signs is being sent to the Codes & Ordinances Committee because of the restrictions placed on political signage. Mayor Lauterborn called for vote to refer the matter to the Codes and Ordinances Committee's December meeting. There was a unanimous voice vote taken.

Councilor Rice shared an experience about his recent visit to NY and stated that he did not feel political signs should be permitted in the public right of way. He questioned who is bringing forth this discussion. Councilor Walker stated that it is being brought forward by a recent candidate as well as an email from former Congresswoman Carol Shea-Porter, who is also in support of allowing political signs in the public right of way. Councilor Lachapelle received the email from the former Congresswoman; however, he disagreed with some of the statements presented in the email. He said one statement was to the effect that some candidates do not have the time to go door-to-door campaigning. He said a candidate must make time to campaign if they are running for any particular office. He welcomed the topic to be presented at the December Codes and Ordinances Committee meeting.

Councilor Gray stated that he is in favor of allowing political signage on the public right-of-way in front of property owned by the resident displaying the sign. He shared that because he runs for a State office that his political signs are placed in other communities. He said other communities do allow the signage in their public right of way and do not have compliance issues. He also shared that he does not agree with the City Attorney's interpretation of this particular law; however, he believed bringing the matter to the Codes and Ordinances Committee would give everyone another look at the ordinance and allow this discussion again.

City Attorney O'Rourke stated that the Codes and Ordinances Committee did hold a discussion about the topic of signs in August of 2020.

He indicated that the US Supreme Court case on this matter has not changed. He explained that all signs must be treated equally. The City cannot have a separate manner in which political signs are treated versus how other types of signage is governed. He said if the City allows political signs in the City's right-of-way, then it must allow all other signage in the right-of-way. He said that opens it up for any kind of sign to be erected in the City's right-of-way without discretion. He said there are currently signs on private property within the City which contain questionable material. He speculated what could happen if all signage was permitted in the City's right-of-way without an ordinance prohibiting the type of sign. He said it can be discussed again, however, his opinion will not change because the law has not changed.

Councilor Rice asked if an offensive sign could be taken down by City staff if erected in front of City Hall. Attorney O'Rourke said if the City passed an ordinance to allow political signs in the City's right-of-way, then the City could not remove a sign unless it was obscene. He clarified that a sign containing profanity might be permissible and not considered obscene. These signs could be removed from the lawn of City Hall; however, they could not be removed from the City's right-of-way directly in front of the lawn.

Councilor Gray reiterated that he supports allowing political signs to be erected on the public right-of-way if it is in front of a resident's own property. He gave details of what he would consider to be within the right-of-way as well as in front of an owner's property. He believed the City could ban all signs with profanity in the public right-of-way. City Attorney did not agree that certain signs could be banned under current laws. Mayor Lauterborn invited the City Councilors who feel strongly about the issue one way or the other to attend the next Codes and Ordinances Committee in December.

#### **14. Other**

Councilor Rice stated that Staff Sgt. Jesse Sherrill was a member of the NH State Police and was killed a few weeks ago on Interstate 95. He informed the City Council that the funeral took place today, which was attended by hundreds of law enforcement people. He wished to send his condolences to the family. He mentioned that Sgt. Sherrill was very involved in the town of Barrington community. Councilor Hainey encouraged fellow Councilors to contribute to the fund raising page for the family, which can be found through the WMUR home page.

Councilor Jean stated that this is the last meeting he will serve on the

City Council prior to the newly elected candidate taking his seat. He said it has been a short stint; however, it has been a pleasure working with the current City Council. He congratulated Mayor Lauterborn for serving as mayor.
