Parking Monetization Study

S. Saunders let the group know that she has contracted with Stantec Engineers for the Parking monetization study. The study is underway and results will be forthcoming.

Review of Public Outreach Posters for the Parking Poster Session

Review of the 6 Parking Posters including:

Downtown Parking

Time to Park

Where to Park

Paying for parking

Do you feel safe?

Do these signs look familiar and Union Street Parking lot.

There was discussion of breaking 1 of the posters into a set of 3.

The Board members discussed the talking points for each poster than then walked around the room to each poster and marked up – on the poster – amendments they would like to see.

Feb 21 was scheduled for a dress rehearsal for the Poster Session with the Poster Session to be held on the 23rd.

Parking Review Group Meeting adjourned at 5:35.

Respectfully submitted,

Shanna B. Saunders
