MEMORANDUM

TO: Ryan O'Connor

City of Rochester, NH Planning & Development Department

CC: Matthew Menning

FROM: Susan A. Manchester, Esq.

DATE: December 8, 2022

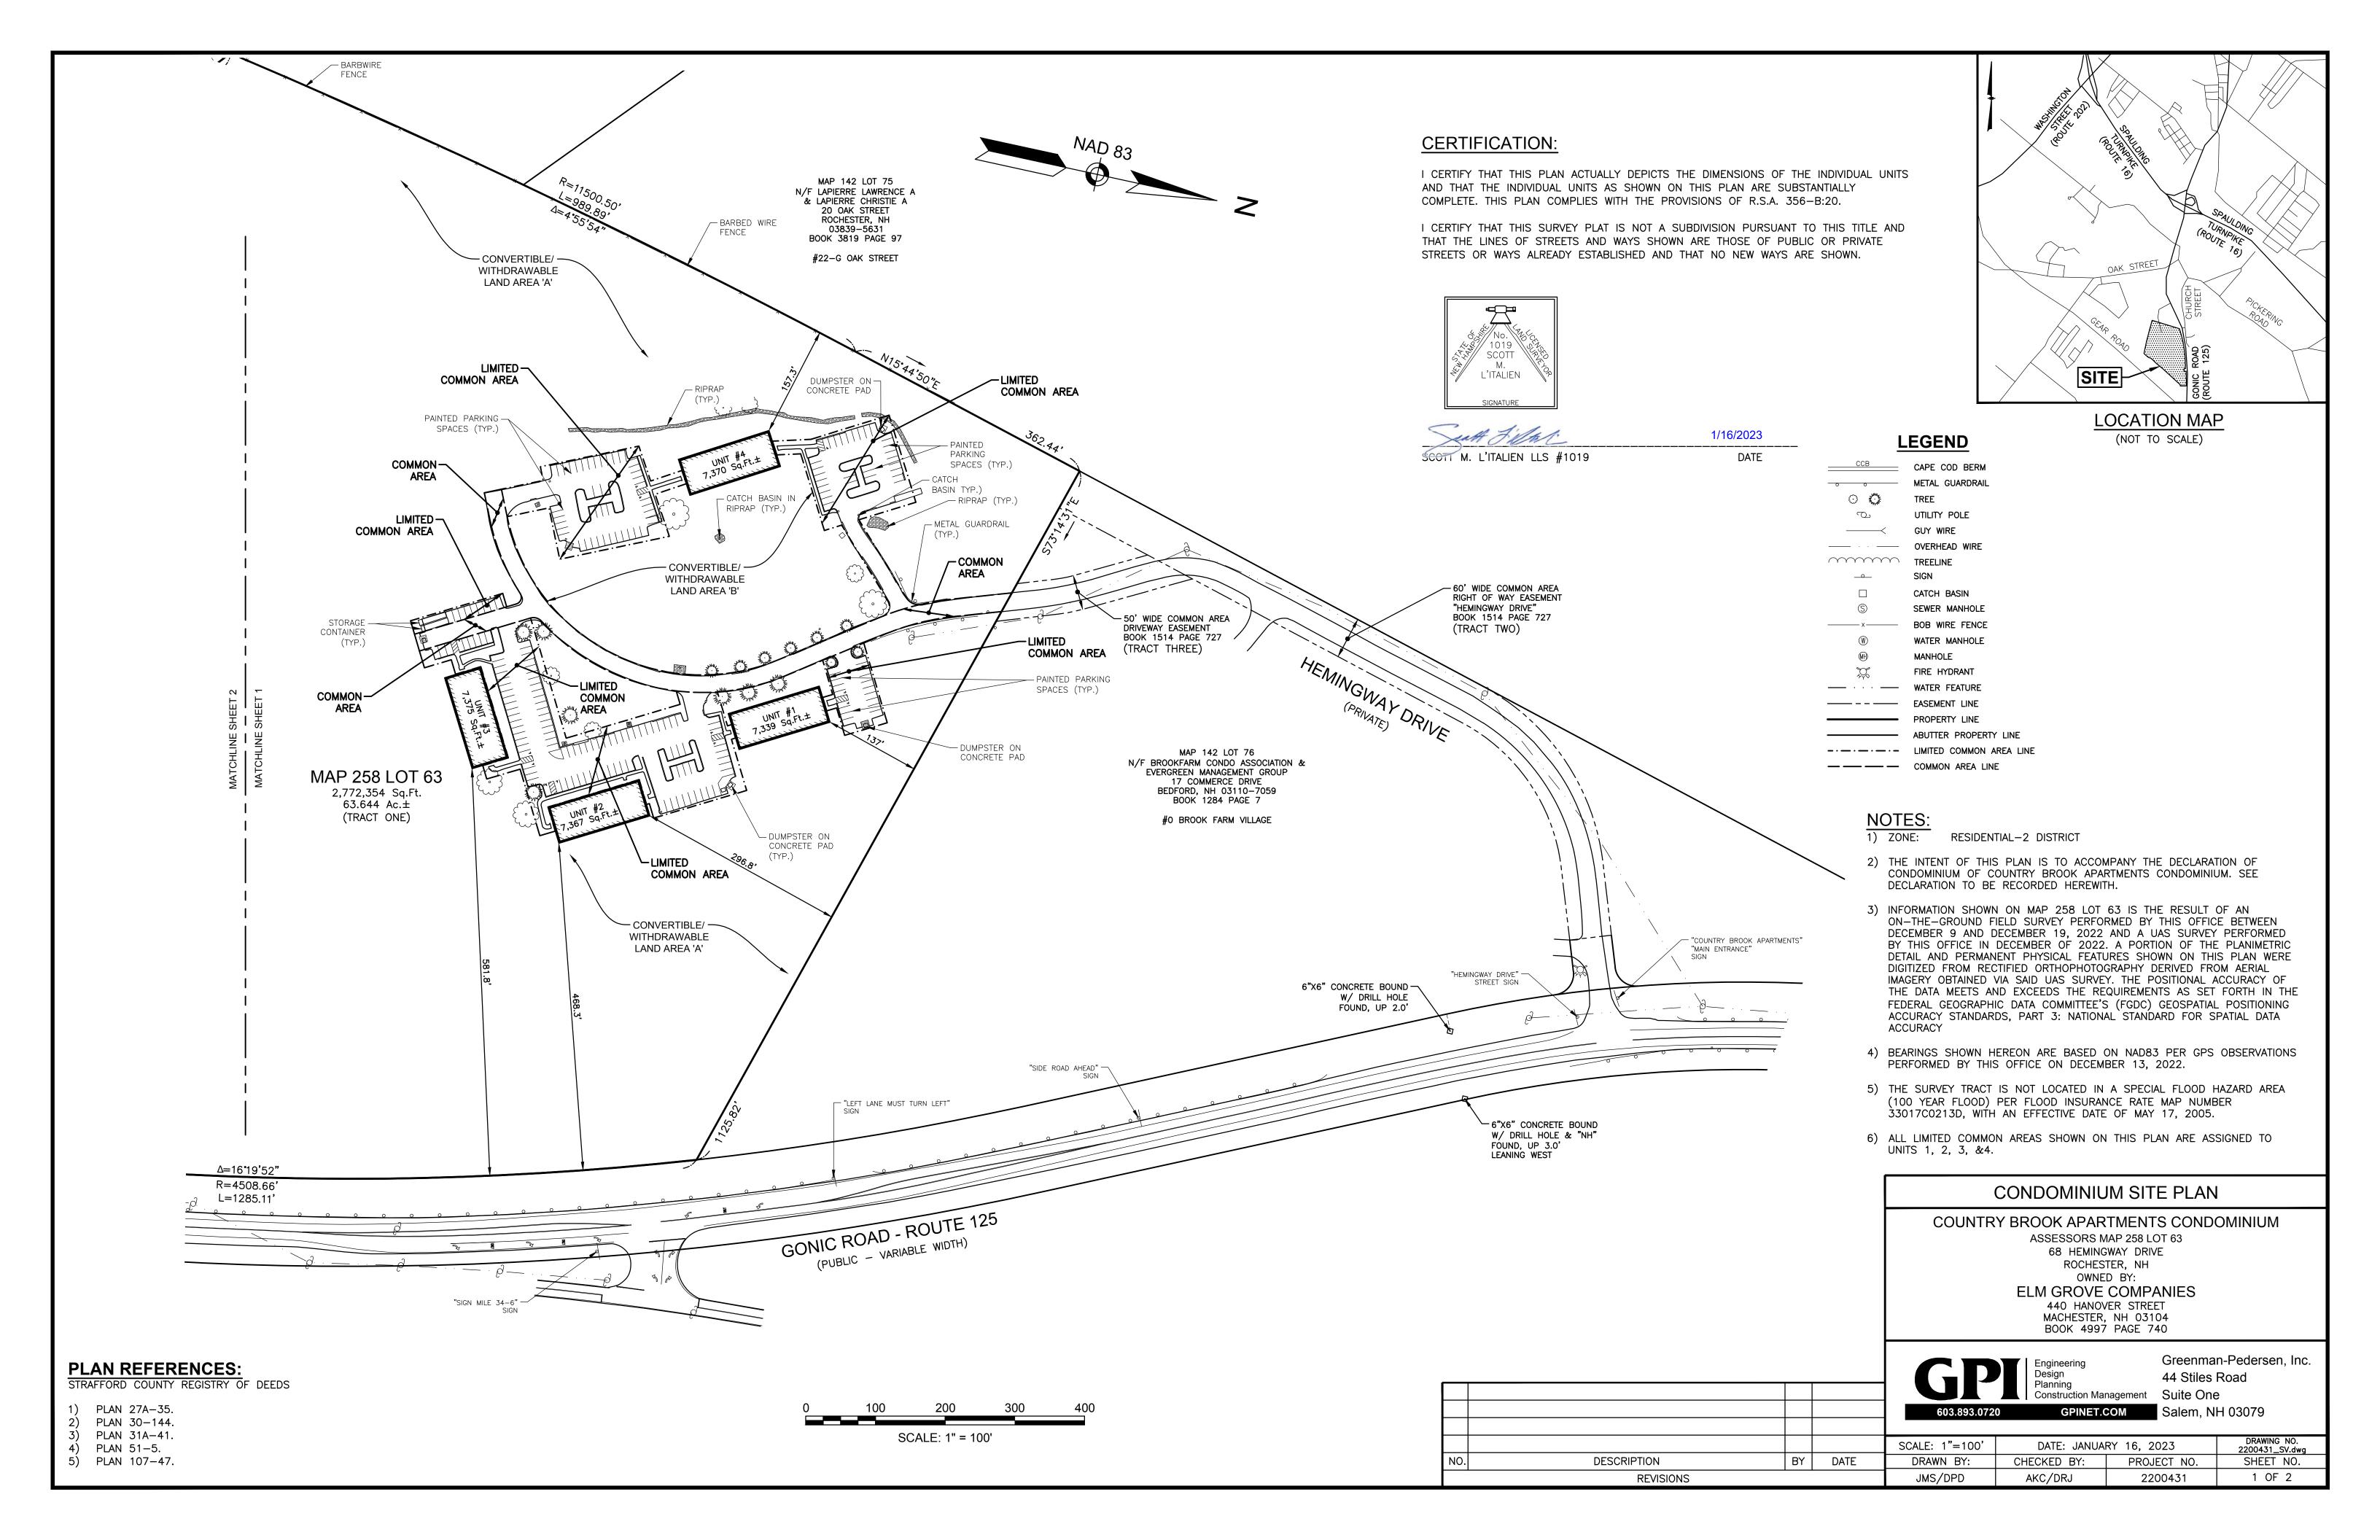

RE: NH RSA 356-B Registration with Attorney General Requirements

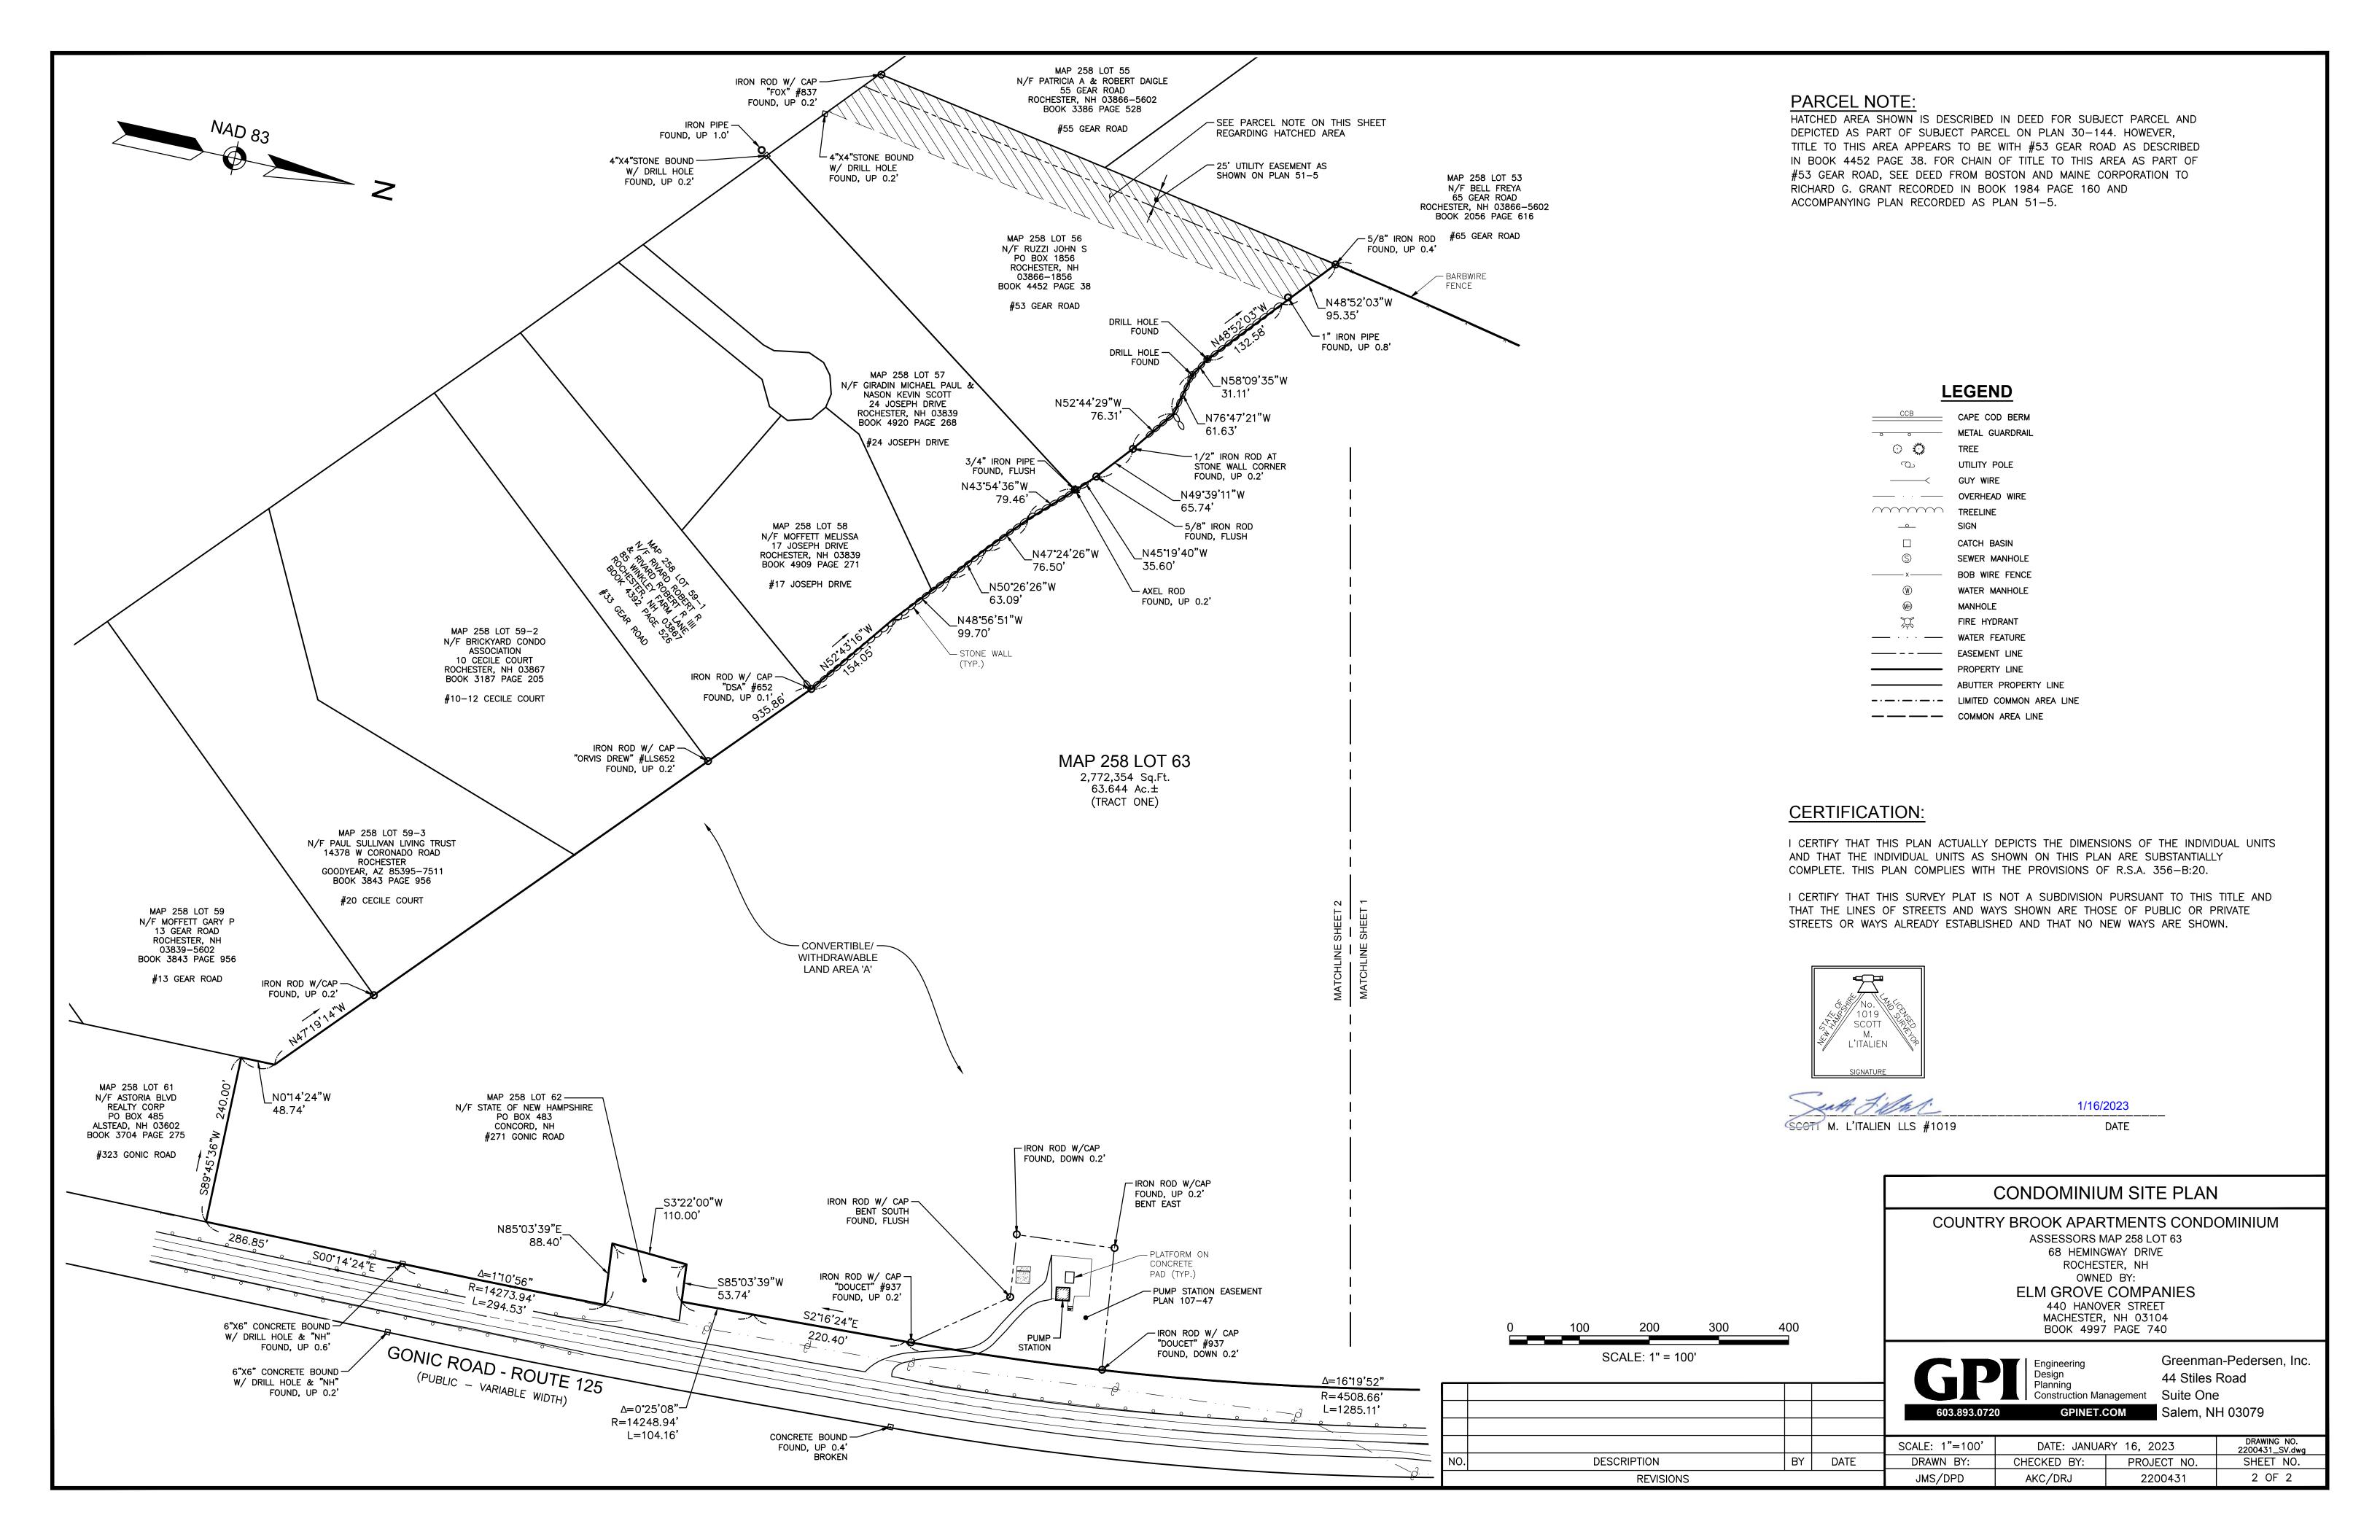

NH RSA Chapter 356-B governs the creation of a condominium in New Hampshire, the requirements of a Unit Owner's Association and, in certain cases, the disposition of units created by the Condominium.

All NH condominiums must comply with Subdivisions I-III, Sections 1-47 of 356-B. The requirements to register with the Attorney General's Office are contained in the last subdivision of 356-B, namely Subdivision IV, Sections 48-69. Subdivision IV, inter alia, requires a declarant to register (or obtain an exemption from registration) from the New Hampshire Attorney General's Office before disposing of any unit.

Your proposed condominium is <u>not</u> required to register with the Attorney General's Office. First, 356-B:49 states that Subdivision IV does <u>not apply</u> to commercial use. Here, the units are the entire building, not the individual apartments. Each building/unit will be used for commercial use as it will be an apartment building. While the City may consider the use "residential" under its zoning ordinance, that is not what residential use means under the Condominium Act. Your use of the units is commercial.

ARTICLE 1

STATEMENT OF PURPOSE

Declarant owns certain land located at 68 Hemmingway Drive, Rochester, New Hampshire, more particularly described on Appendix A (together with all appurtenant buildings, improvements, easements and other rights, the "**Submitted Land**"). The Submitted Land includes a so-called Fee Simple Parcel, a Right of Way Easement Parcel, and a Drive-Way Easement Parcel as described on Appendix A.

The Submitted Land currently contains 4 buildings containing _____ residential apartments, parking lots and other improvements.

Elm Grove Companies, LLC ("**Sponsor**") is in the business of developing, constructing, owning and operating affordable housing projects utilizing the Low-Income Housing Credit financing available under Section 42 of the Internal Revenue Code, and the Sponsor, through related entities, wishes to develop the Submitted Land for such purpose, residential apartment parking and other improvements ("**Project**"). The Project will be developed in more than one (1) phase, and each phase is expected that each phase will be separately owned and financed.

The plan of development for the Condominium is as follows: first, the existing buildings will be renovated. Next, the Declarant expects to build additional residential buildings on land which will be designated in this Declaration convertible/withdrawable land. The Declarant may also build a clubhouse/community building on another piece of convertible land. It is expected that some utilities and road infrastructure will be shared.

To maximize the effectiveness of the Low-Income Housing Credit and facilitate the orderly and efficient development of such affordable housing project, it is the intent that all structures and improvements constructed and paid for by a person be owned by that person, even if, in certain circumstances, others may use the same. Each phase will be separately owned and separately financed. It is also intended, to the extent practical, that each phase be self-sufficient. Accordingly, each multifamily Building to be constructed on the Submitted Land will constitute

one Condominium Unit and, to the extent possible, parking, utilities, and access-ways will be assigned as limited common area to the Units in that phase.

NOW, THEREFORE, the Declarant hereby submits the Submitted Land and improvements thereon to the provisions of N.H. RSA Chapter 356-B and is held and shall be held, conveyed, encumbered, leased, used, occupied, and improved, subject to the Act and the following restrictions, covenants, conditions, uses, limitations, obligations and easements which are intended to enhance and protect the value and desirability of the Condominium as a whole and to mutually benefit each of the Units and their respective Unit Owners.

- 12.4 <u>Easements Over Limited Common Areas</u>. In the event there are any roadways, parking areas or utilities constructed by a Unit Owner over or under any Common Area (including Limited Common Area) which are necessary for the occupancy of a Unit owned by a Person other than the Person who constructed such facilities, the non-constructing Unit shall have an easement to use such facilities and shall be responsible for its Proportionate Share of the costs to maintain and repair (including necessary replacement thereof) the same.

ARTICLE 16

REPAIR AND RECONSTRUCTION AFTER FIRE OR OTHER CASUALTY

When Repair and Reconstruction Are Required. In the event any Building within a Unit or Limited Common Area is damaged or destroyed by fire or other casualty (whether insured or not), its Unit Owner shall, subject to governmental regulations and/or insurance adjustment delays, promptly remove the debris resulting from such event and provide a sightly barrier. Within a reasonable time after the fire or casualty, the Owner of the Unit shall, in its discretion, either (i) repair or restore the Building, or (ii) erect another Building, or (iii) demolish the damaged portion and restore the cleared area to a landscaped condition until and unless a replacement Building is erected. All such repairs, reconstruction, demolition, or restoration shall

be commenced and completed expeditiously. During any period that a Building is damaged, destroyed or demolished, the Unit Owner shall remain liable for its share of Common Expenses as fully as if such casualty had not taken place.

16.2 <u>Procedure for Reconstruction and Repair of Common Area (excluding Limited Common Area)</u>.

- (a) Immediately after a fire or other casualty causing damage to any Common Area (excluding Limited Common Area), the Board of Directors shall obtain reliable and detailed estimates of the cost of repairing and restoring the damage to a condition as good as that existing before such casualty. Any such reconstruction or repair shall be substantially in accordance with the original plans and specifications under which the damaged Common Area was originally constructed. Such costs may also include professional fees and premiums for such bonds as the Board of Directors determines to be prudent. The Board of Directors shall contract for such repair and restoration and in doing so shall exercise its reasonable discretion in selecting from among said estimates.
- (b) If the anticipated proceeds of insurance are not sufficient to defray the estimated costs of completion of reconstruction and repair, or, if after completion of reconstruction or repair the proceeds are insufficient, the Association, by following the procedures in Section 16.2 below may make special assessments in sufficient additional amounts to provide payment of such costs shall be made against the Owners. If all or any portion of such assessments are not available to the Association prior to the time that the amounts thereof are needed to provide payment of such costs, the Association may, at a special meeting duly called and held for such purpose may vote to borrow such amounts, and may secure such borrowing by assignment of the liens relative thereto arising.
- (c) Encroachments upon or in favor of Units which may be created as a result of such reconstruction or repair of Common Area shall not constitute a claim or basis for any proceeding or action by the Unit Owner upon whose property such encroachment exists, provided that such reconstruction is substantially in accordance with original plans and specifications for the Common Area. Such encroachments shall be allowed to continue in existence for so long as the Common Area (as reconstructed) shall stand.

16.3 Disbursements of Construction Funds For such Common Area.

(a) The net proceeds of insurance collected on account of a casualty to any such Common Area and any additional amounts collected by the Association from assessments against the Owners on account of such casualty (or borrowed by the Association as provided above) shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair of such Common Area by the Association.

- (b) The construction fund shall be paid by the Association in appropriate progress payments to such contractors, suppliers and personnel engaged in performing the work or supplying materials or services for the repair and reconstruction of the Common Area as are designated by the Association.
- (c) It shall be presumed that the first monies disbursed in payment of the cost of reconstruction and repair shall be from insurance proceeds; and if there is a balance in the construction fund after the payment of all of the cost of the reconstruction and repair for which the funds is established, such balance shall first be applied to any borrowing pursuant to Section 16.2(b) above and the remainder, if any, shall be distributed to the Unit Owners in accordance with their Ownership Interest.
- (d) When the damage is to both Common Area and Units, the insurance proceeds of the Association policy shall, to the extent practical, be applied first to the cost of repairing the Common Area and the balance to the cost of repairing the Units.

EXPENSES

17.1 **Adoption of Budgets**.

- (a) The Board of Directors, annually, shall adopt a proposed budget for the Association for consideration by the Unit Owners. The budget shall cover the Common Expenses anticipated to be incurred by the Association for the upcoming year. Not later than thirty (30) days after adoption of a proposed budget, the Board of Directors shall provide to all the Unit Owners and each Investor Limited Partner a summary of the budget, including any reserves, and a statement of the basis on which any reserves are calculated and funded. Simultaneously, the Board shall set a date not less than ten (10) days or more than sixty (60) days after providing the summary for a meeting of the Unit Owners and the Investor Limited Partners to consider ratification of the budget. Upon approval by all Unit Owners, the budget shall be ratified. If a proposed budget is rejected, the budget last ratified by the Unit Owners continues until the Unit Owners ratify a subsequent budget. The Board of Directors must obtain each Investor Limited Partner's written approval for: (i) the initial fiscal year budget; and (ii) any annual budget increase which exceeds the prior fiscal year Budget by more than six percent (6%).
- (b) On or before April l of each calendar year, the Board shall supply to all Unit Owners and each Investor Limited Partner an itemized accounting of the Common Expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net amount over or short of the actual expenses plus reserves. Such accounting shall, upon the written request of any Unit Owner, be prepared by a certified public accountant, in which event such accounting shall be due as soon as reasonably possible after such request. Any net shortage or excess shall be applied as an

- adjustment to the installments due under the current year's estimate in the succeeding three (3) months after rendering of the accounting.
- (c) Upon the request of an Eligible Mortgagee, the Board promptly shall supply copies of the budgets and accountings of Common Expenses to such Eligible Mortgagee.

17.2 Special Assessments.

- (a) If any given annual budget proves to be insufficient to cover the actual Common Expenses, the Board of Directors may propose a special assessment. Except as otherwise provided in Section 17.2(b) below, any such special assessment is effective only if: (A) the Board of Directors follows the procedures for ratification of a budget described in Section 17.1 above; and (B) the Unit Owners and the Investor Limited Partners approve the proposed assessment by a unanimous vote of all Unit Owners and the Investor Limited Partners of such Unit Owners (if any), and if such special assessment is approved by any Eligible Mortgagee as required by its loan documents with a Unit Owner.
- (b) If the Board of Directors determines that a special assessment is necessary to respond to an emergency: (i) the special assessment becomes effective immediately in accordance with the terms of the vote; (ii) notice of the special assessment shall be provided promptly to all Unit Owners, Eligible Mortgagees and all Investor Limited Partners; and (iii) the Board of Directors may spend the funds paid on account of the special assessment only for the purposes described in the vote.
- (c) Declarant, for each Unit it owns (for so long as it owns such Units), hereby covenants, and each Unit Owner of a Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed or other conveyance instrument, is deemed to covenant and agree to pay to the Association all special assessments levied by the Board pursuant to this Declaration. Such assessments, together with such interest and late charges thereon and costs of collection thereof (including reasonable attorneys' fees), as hereinafter provided, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each such assessment is made.

17.3 Allocation of Expenses.

(a) Subject to Sections 17.3(b) and (c) below, the Common Expenses (including those set forth in a ratified Budget and special assessments properly made) shall be allocated between the Unit Owners in accordance with their Ownership Interests. On or before January 1 of the ensuing calendar year, and the first day of each and every month of such year, each Unit Owner, shall be personally liable (excluding the Investor Limited Partners) for and obligated to pay to the Association (or as it may direct) one twelfth (1/12) of such Unit Owner's proportionate share of the Common Expenses for each year as shown by the annual budget (that has been approved in accordance with this Declaration).

- (b) Expenses benefiting only one or more, but not all, Units, in the reasonable judgment of the Board of Directors, shall be specially assessed against such benefited Units in proportion to the Unit Owner(s) and their respective Occupants' receipt of the benefits of such expense by providing written notice thereof to the affected Unit Owner(s).
- (c) Expenses caused by the conduct of a Unit Owner or its respective Occupants, in the reasonable judgment of two-thirds of the members of the Board of Directors, shall be specially assessed against the Unit Owner who, alone or with its Occupants, has caused such expenses to be incurred in proportion to their responsibility for such expense by providing written notice thereof to the affect Unit Owner.
- (d) For any expense assessed under Subsection (b) or (c) above, the affected Unit Owner shall have thirty (30) days from the date of receipt of the written statement from the Board to object to the same; provided, however, that any such notice shall simultaneously be sent to the Investor Limited Partner and each Eligible Mortgagee of such Unit Owner. In the event of the failure of the Unit Owner and the Board of Directors to reach agreement with respect to the disputed special assessment within thirty (30) days of the Unit Owner's notice of objection, the parties agree that the dispute shall, to the fullest extent permitted by law, be settled by arbitration in any forum and form agreed upon by the parties or, in the absence of such agreement, under the auspices of the American Arbitration Association, in Rochester, New Hampshire. The Unit Owner shall pay the amount of the disputed assessment to the Association to be held in escrow pending the outcome of the arbitration. Should the arbitration award be less than the amount of the escrowed funds, the excess shall be refunded to the Unit Owner. The parties to the arbitration shall bear equally the cost of all administrative fees and arbitrator's fees and expenses associated with the arbitration, however, each party shall pay the cost of its own legal fees and expenses.
- 17.4 <u>Commencement of Liability</u>. The responsibility for payment by each Unit Owner of its allocated share of Common Expenses shall commence upon the conveyance of the Unit from the Declarant. Each Unit is created upon the recordation of this Declaration and the Site Plan. Any Unit that becomes obligated to pay an allocated share of Common Expenses other than at the beginning of a calendar year shall be assessed a proportional amount of such allocation of Common Expenses.
- 17.5 <u>Payment of Assessments</u>. Unless the Board of Directors determines otherwise, each Unit Owner shall pay to the Association monthly, one-twelfth of the Unit Owner's allocated share of Common Expenses. No Unit Owner may exempt itself from liability for that Unit Owner's contribution toward Common Expenses by waiver of the use or enjoyment of any of the Common Area or by abandonment or non-use of its Unit.
- 17.6 <u>Failure to Pay Assessment</u>. The Association shall have and may enforce all rights provided for under Section 14 of the Condominium Act and may obtain a lien on any Unit and enforce all such other rights provided for under Section 46 of the Condominium Act in order to

secure payment of and collect any Unit Owner's allocated share of Common Expenses and any expenses specially assessed pursuant to this Declaration or the Bylaws. The lien for unpaid assessments shall include interest, costs and attorney's fees and may be foreclosed in the manner provided by the laws of the State of New Hampshire for the foreclosure of power of sale mortgages or by suit brought in the name of the Association. The Association may also bring suit to recover a money judgment for unpaid assessments without foreclosing, waiving, or perfecting the lien securing the same, and foreclosure shall be available without bringing suit to recover a money judgment. In addition, the Association shall have the right under RSA 356-B:46-a and under any other provision of the Condominium Act now existing or hereafter enacted giving rights to Associations for failure of Unit Owners to pay its share of Common Expenses.

ARTICLE 18

AMENDMENT OF DECLARATION

- 18.1 <u>General</u>. This Declaration may be amended by the unanimous vote of Unit Owners holding Ownership Interests in the Condominium. However,
- (a) no such amendment shall impose any materially greater obligation on, or materially impair any right of a Condominium Owner or its Condominium Unit without the prior written consent of such Condominium Owner.
- (b) no such amendment shall impose any new obligations on or alter the rights and privileges of the Declarant without the Declarant's prior consent.
- (c) no such amendment shall be effective until evidence of it has been prepared and duly executed by the President of the Association and recorded in the Registry of Deeds pursuant to Sections 11, 34 and 35 of the Condominium Act. Such recorded amendment shall contain a certification by the President of the Association that the requisite vote was obtained.
- 18.2 <u>Consent of Mortgagees, Eligible Mortgagees and Investor Limited Partners</u>. Notwithstanding any of the foregoing, any amendments to this Declaration and the Bylaws shall require the prior written consent and approval of each Eligible Mortgagee, and each Investor Limited Partner.

ARTICLE 19

TERMINATION OF CONDOMINIUM

This Condominium may be terminated in the manner provided for in Section 34 of the Condominium Act. Notwithstanding any of the foregoing, the Condominium shall not be terminated without the prior written consent and approval of each Eligible Mortgagee and each Investor Limited Partner (which consent may be withheld in their sole and absolute discretion).

ARTICLE 20

DEFAULT

20.1 <u>Units Subject to Declaration, Bylaws and Rules and Regulations</u>. All present or future Unit Owners and Occupants are subject to the provisions of the Condominium Instruments. The acceptance of any fee or similar interest in any Unit shall constitute an agreement that the provisions of the Condominium Instruments, as they may be lawfully amended from time to time, are accepted and ratified by such Unit Owner or Occupant. The Condominium Instruments shall be deemed to be enforceable servitudes and covenants running with the land and shall bind any Person who holds any interest in any Unit, whether or not such provisions are recited and stipulated in full in each and every instrument of conveyance, lease, or other agreement.

20.2 **Default**.

- (a) The occurrence of any one or more of the following events shall constitute a default of this Declaration by the non-performing party (the "**Defaulting Party**"):
 - (i) the failure to make any payment required to be made under any Condominium Instrument within ten (10) days after receipt of the written notice from the Treasurer or President; or
 - (ii) the failure to observe or perform any other of the covenants, conditions or obligations of the Condominium Instruments, within thirty (30) days after receipt of written notice from the Board of Directors, or another Unit Owner (the "Non-Defaulting Party") specifying the nature of the default claimed. However, the Defaulting Party receiving notice shall not be deemed to be in default under this section so long as the Defaulting Party starts to cure the claimed default within thirty (30) days after receipt of such notice and diligently pursues such cure.
- Each Non-Defaulting Party shall have the right to bring any proceedings at law or (b) in equity against any Defaulting Party, or any other Person violating or attempting to violate any of the provisions contained in any Condominium Instrument or the Condominium Act, and to recover damages for any such violation or default. Such proceeding shall include the right to restrain by injunction any violation or threatened violation of any of the terms, covenants, or conditions of this Declaration, or to obtain a decree to compel performance of any such terms, covenants, or conditions, it being agreed that the remedy at law for a breach of any such term, covenant, or condition (except those, if any, requiring the payment of a liquidated sum) is not adequate. The Non-Defaulting Party shall have all of the remedies permitted or available under this Declaration, under the Condominium Act, or at law or in equity, all of which shall be cumulative and not alternative; provided that, under no circumstances shall the Non-Defaulting Party be entitled to terminate this Declaration or the Condominium. The invocation of any specific right or remedy shall not constitute a wavier or election of remedies with respect to any other permitted or available right or remedy. The prevailing party in such an enforcement action shall be entitled to recover costs of collection or defense.

including reasonable attorneys' fees.

- (c) In addition, with respect to any default under Section 19.2(a)(ii) above, any Non-Defaulting Party shall have the right, but not the obligation, following the expiration of any applicable cure period, to cure such default by the payment of money or the performance of some other action for the account of and at the expense of the Defaulting Party. However, in the event the default shall constitute an emergency condition, the Non-Defaulting Party, acting in good faith, shall have the right to cure such default upon such advance notice as is reasonably possible under the circumstances or, if necessary, without advance notice, so long as notice is given as soon as possible afterwards. To effectuate any such cure, the Non-Defaulting Party shall have the right to enter upon the Unit of the Defaulting Party to perform any necessary work or furnish any necessary materials or services to cure the default of the Defaulting Party. In the event any Non-Defaulting Party shall cure a default, the Defaulting Party shall reimburse the Non-Defaulting Party for all costs and expenses incurred in connection with such curative action, plus interest as provided below, within ten (10) days of receipt of demand for reimbursement, which demand shall include reasonable documentation supporting the expenditures made.
- (d) Each Unit Owner shall be responsible for any default of or caused by an act or omission of the Occupants of its Unit or Limited Common Area. However, no Unit Owner shall be deemed to be in default so long as it is diligently pursuing default remedies against its Occupant.
- (e) Notwithstanding anything in this Declaration to the contrary, Eligible Mortgagees and each Investor Limited Partner shall have the right, but not the obligation, to cure any defaults of the Owner of its Unit under this Declaration and the Non-Defaulting Party shall accept such payment or work, as applicable, as if it had been tendered or completed by such Defaulting Party. If any Investor Limited Partner or Eligible Mortgagee so exercises such right, it shall have a period of sixty (60) days after receipt of written notice of such default to cure such default.
- 20.3 <u>Interest</u>. Any time a party shall fail to pay any sum due under this Declaration within any applicable notice and cure period, such unpaid sum shall accrue interest from the due date to and including the date such payment is received by the Person entitled to payment, at the rate of three percent (3%) per annum in excess of the prime rate from time to time published by the Wall Street Journal or its successor; determined as of the due date for such payment.
- 20.4 <u>Mitigation of Damages</u>. In all situations arising out of this Declaration, all parties shall attempt to avoid and mitigate the damages resulting from the conduct of any other party. Each Unit Owner shall take all reasonable measures to effectuate the provisions of this Declaration.
- 20.5 <u>Declaration Shall Continue Notwithstanding Breach</u>. It is expressly agreed that no breach of this Declaration shall (a) entitle any Unit Owner to cancel, rescind, or otherwise terminate this Declaration, or (b) defeat or render invalid the lien of any mortgage or deed of trust

made in good faith and for value as to any part of the Submitted Land. However, such limitation shall not affect in any manner any other rights or remedies which a Unit Owner may have by reason of any such breach.

20.6 No Waiver. The failure of any Unit Owner or the Declarant or the Association or the Board of Directors or Officers to insist upon strict performance of any of the terms, covenants or conditions of this Declaration shall not be deemed a waiver of any rights or remedies which that Unit Owner or the Declarant or the Association or Board of Directors or Officers may have under this Declaration, at law or in equity, and shall not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions. No waiver by the Declarant, the Association, a Unit Owner or Board of Directors or Officer of any default under this Declaration shall be effective or binding on such party unless made in writing by such party and no such waiver shall be implied from any omission by such party to take action with respect to such default. No express written waiver of any default shall affect any other default or cover any other period of time other than any default and/or period of time specified in such express waiver. One or more written waivers of any default under any provision of this Declaration shall not be deemed to be a waiver of any subsequent default in the performance of the same provision or any other terms or provisions contained in this Declaration.

In the event that such discussions do not result in a resolution, the parties shall utilize the services of an impartial mediator in an effort to reach a mutually acceptable resolution. If a Disputed Matter has not been resolved within thirty (30) days after the commencement of such mediation, any party may submit the Disputed Matter to arbitration. Any award or decision obtained from any such arbitration proceeding shall be final and binding on the parties, and judgment upon any award thus obtained may be entered in any court having jurisdiction thereof.

COUNTRY BROOK APARTMENTS CONDOMINIUM

BYLAWS

ARTICLE 1

GENERAL PROVISIONS

- 1.1 <u>Purpose</u>. The Country Brook Apartments Condominium Association (the "Association") is an unincorporated association formed for the purposes of administering the Country Brook Apartments Condominium, establishing the means and methods of collecting the assessments for Common Expenses, arranging for the management of the Condominium, and performing all of the acts that may be required to be performed by the "Association" under the Condominium Act. It is considered formed upon the recording of the Declaration with the Registry of Deeds.
- 1.2 **<u>Definitions</u>**. Capitalized terms not otherwise defined in these Bylaws or in the Declaration of the Country Brook Apartments Condominium, shall have meanings specified in Section 3 of the Condominium Act.
- 1.3 Applicability of Condominium Instruments. All present and future Unit Owners and Occupants shall be subject to these Bylaws and to the Condominium Instruments. The acceptance of a deed of conveyance, the entering into a lease, or the act of occupancy of a Unit or any portion of a Unit, shall constitute an acknowledgment that such Unit Owner or Occupant has accepted and ratified these Bylaws and the provisions of the other Condominium Instruments and will comply with them.
- 1.4 <u>Office</u>. The office of the Association shall be located at c/o ______, or at such other place as may be designated from time to time by the Secretary or the President of the Association.
- 1.5 <u>Conflicts</u>. If there is any conflict between the provisions of these Bylaws and the Declaration, the Declaration shall control.
- 1.6 <u>Composition</u>. Each of the Unit Owners shall automatically become a member of the Association upon taking title to a Unit. A Unit Owner's membership interest shall be noted in the records of the Association, but shall not be evidenced by stock or other certificates.

ARTICLE 2

MEETINGS OF THE ASSOCIATION

2.1 <u>Place of Meeting</u>. Meetings of the Association shall be held at the principal office of the Condominium or at such other suitable place in the State of New Hampshire as may be

designated by the Secretary in the notice of the meeting.

- 2.2 <u>Annual Meetings</u>. The first meeting of the Association shall be held within one (1) year after the recordation of the Declaration which date is the formation of the Association. Thereafter, the annual meetings of the Association shall be held during the month of September of each succeeding year, or on such other date as may be designated by the Secretary and reflected in the notice of the meeting. Meeting notices shall be sent as described in Section 2.5 below.
- 2.3 **Special Meetings**. The Association shall hold a special meeting of Unit Owners to address any matter affecting the Unit Owners or the Association if its President, a majority of the Board of Directors, or either Unit Owner requests that the Secretary call the meeting. If the Secretary does not notify Unit Owners of a special meeting within thirty (30) days after the Unit Owner requests the Secretary to do so, the requesting Unit Owner may directly notify all of the Unit Owners of the special meeting, for the purpose of which shall be to present the issue to fellow residents and Unit Owners and to vote on any proposal set forth in the meeting notice. Only matters described in the meeting notice may be considered at a special meeting. All meeting notices shall be sent as described in Section 2.5 below.
- 2.4 **Voting.** Each Unit Owner shall be entitled to cast the number of votes proportional to its Ownership Interest. When a Unit is owned by more than one (1) person, if only one of such persons is present at a meeting of the Association, that person shall be entitled to cast the votes appertaining to that Unit. But if more than one of such persons is present, the vote appertaining to that Unit shall be cast only in accordance with agreement of a majority in interest of the Owners, and such consent shall be conclusively presumed if any one of them purports to cast the votes appertaining to that Unit without protest being made forthwith by any of the others to the person presiding over the meeting. Since a person need not be a natural person, the word "person" shall be deemed for the purposes of this Section 2.4 to include, without limitation, any natural person having authority to execute deeds on behalf of any person, excluding natural persons, which is, either alone or in conjunction with another person or persons, a Unit Owner. A unanimous vote of the Unit Owners in good standing and entitled to vote at the meeting, all as set forth in these Bylaws, is required to adopt decisions at any meeting of the Association. Notwithstanding the foregoing, in the event a unanimous vote is not obtained for a decision relating to an emergency condition, a Unit Owner may take such action as is reasonably necessary to address such emergency situation and be promptly reimbursed for the costs thereof by the Association.
- 2.5 Notice of Meetings. The Secretary (or the requesting Unit Owner in the case described in Section 2.3 above where the Secretary does not notify Unit Owners of a special meeting within thirty (30) days after the requisite number or percent of Unit Owners have requested the Special Meeting) shall provide to each Unit Owner, with a copy to be sent to each Investor Limited Partner, a notice of each annual or regular meeting or special meeting of the Association (i) at least twenty-one (21) days in advance of each such annual or regular meeting, and (ii) at least seven (7) days in advance of any special or other meeting, to each Unit Owner of record in the records of the Association and the Investor Limited Partner of each such Owner. The minimum time to give notice may be reduced or waived for a meeting called to deal with an emergency. The notice shall state the purpose as well as the time and place where the meeting is to be held, and it shall include an agenda and proxy forms bearing a control number and otherwise

compliant with the terms of these Bylaws and the Condominium Act. Purposes of the meeting shall include any budget changes or proposal to remove an officer or member of the Board of Directors. Notice shall be given to any mailing or electronic mail address a Unit Owner designates to the Secretary. If the Unit Owner does not designate an address to the Secretary, the Secretary shall deliver notices by hand delivery, United States mail postage prepaid, or commercially reasonable delivery service to the mailing address of each Unit. The Secretary shall prepare an affidavit which shall be accompanied by a list of the addresses of all Unit Owners currently on file with the Association and shall attest that notice of the Association meeting was provided to all Unit Owners on that list in a manner conforming to RSA 356-B:37-a. A copy of the affidavit and Unit Owners list shall be available at the noticed meeting for inspection by all Unit Owners then in attendance and shall be retained with the minutes of that meeting. The affidavit required in this section shall be available for inspection by Unit Owners for at least three (3) years after the date of the subject meeting.

2.6 <u>Disqualification to Vote</u>. A Unit Owner who is more than thirty (30) days delinquent in the payment of Common Expense assessments to the Association shall not be deemed qualified to vote and may not vote at any meeting of the Unit Owners.

2.7 **Proxies**.

- (a) The votes appertaining to any Unit may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or, in cases where the Unit Owner is more than one person, by or on behalf of all such persons; provided, however, that any designation of a proxy for a Unit Owner must be approved in writing by its Investor Limited Partner. A person may not cast undirected proxies representing a majority of the votes in the Association. The proxy or proxies shall list the name of the person who is to vote. No such proxy shall be revocable except by actual notice to the person presiding over the meeting, by the Unit Owner or by any of such persons, that it be revoked. Any proxy shall be void if it is not dated or if it purports to be revocable without the required notice. The proxy of any person shall be void if not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Any proxy shall terminate automatically upon the adjournment of the first meeting held on or after the date of that proxy. The Board of Directors shall deliver to the Unit Owners, together with their notice of meeting and agenda, proxy forms bearing a control number which the Board of Directors shall correlate to the list of all Unit Owners then entitled to vote. At the noticed meeting, the Board of Directors shall recover all proxies and compare them to the control list maintained for that purpose. Any proxies which are on a form other than that provided by the Board of Directors or which do not correlate with the control list maintained by the Board of Directors shall be disregarded for purposes of determining whether a quorum was present at the meeting and for purposes of casting any vote at that meeting.
- (b) The Board of Directors shall retain all proxies delivered to the Board of Directors and all independent written confirmation of any such proxies for inspection by the Unit Owners for a period of not less than three (3) years from the date of the Association meeting.
- 2.8 **Quorum**. Unit Owners present at the beginning of a meeting, in person or by proxy, and qualified to vote and holding ______ percent (___%) of the Ownership

Interests in the Condominium shall constitute a quorum of members for the entire meeting. A quorum shall be deemed to be present throughout any meeting of the Association until adjourned if persons entitled to cast ______ percent (___%) of the votes are present at the beginning of such meeting. If a quorum is not met for an annual meeting, the Board of Directors shall reschedule the meeting within sixty (60) days and provide proper notice and proxies in accordance with Section 2.5 above and the Condominium Act. Notwithstanding the foregoing, in the event a quorum is not present at a meeting and an emergency condition is to be addressed at such meeting, a Unit Owner may take such action as is reasonably necessary to address such emergency situation and be promptly reimbursed for the costs thereof by the Association.

- 2.9 <u>Conduct of Meeting</u>. Meetings of the Association may but need not be conducted in accordance with the most recent edition of Roberts' Rules of Order Newly Revised. Unit Owners shall be given a reasonable opportunity at any meeting of the Association to comment regarding any matter affecting the Association.
- Minutes of Meetings. The Board of Directors shall make copies of the minutes of all meetings available to the Unit Owners within sixty (60) days of the meeting, or fifteen (15) days of the date such minutes are approved by the Board of Directors, whichever occurs first. The Association may opt to provide the minutes electronically or publish them on the Association website, in which case the Unit Owners shall be informed of the Association's web address. The Secretary or other designee duly authorized by the Board of Directors shall take minutes of all meetings held in accordance with this section and RSA 356-B:37-c. An electronic or paper copy of all meeting minutes shall be available to the Unit Owners for at least three (3) years after the date of the meeting. The Board shall respond to a Unit Owner's written request for the minutes within 15 days of receipt of the request.

2.11 **Voting Without a Meeting**.

- (a) Any action required or permitted to be taken at any meeting of Association may be taken by ballot without a meeting if the requirements set forth in (b) below are met:
- (b) The Association shall notify the Unit Owners, with a copy to be sent to each Investor Limited Partner, that the vote will be taken by ballot and deliver a paper or electronic ballot to every Unit Owner entitled to vote on the matter. The notice shall be sent to the mailing or electronic email address designated by the Unit Owner and, if the Unit Owner does not designate an address, the notice will be delivered by hand delivery, United States mail postage prepaid, or commercially reasonable delivery service to the mailing address of the Unit. The ballot shall:
 - (i) Set forth each proposed action and provide an opportunity to vote for or against the action.
 - (ii) Indicate the number of responses needed to meet the Quorum requirements.
 - (iii) State the percent of votes necessary to approve each matter other than election of directors.
 - (iv) Specify the time and date by which a ballot must be delivered to the Association to be counted, which time and date may not be fewer than ten (10) days after the date the Association delivers the ballot.

(v) Describe the time, date, and manner by which Unit Owners wishing to deliver information to all Unit Owners regarding the subject of the vote may do so.

A ballot is not revoked after delivery to the Association by death or disability or attempted revocation by the person that cast that vote in the ballot.

Approval by ballot pursuant to this section is valid only if the number of votes cast by ballot equals or exceeds the Quorum required to be present at a Meeting authorizing the action.

All ballots cast in the Association vote under this section shall be counted using a tally sheet for the vote. If more than one ballot item was voted on, the board may elect to keep a corresponding tally sheet for each ballot items. The ballots and tally sheets shall be made available for examination and recount, by request of any owner participating in the vote, immediately following announcement of the results of the vote taken. During any examination and recount one or more members of the Board of Directors and at least one additional Unit Owner shall be present. The ballots shall be examined and tallied to verify that the count and announced result was correct.

2.12 <u>Meetings By Telephonic, Video or Other Conferencing Process</u>. The Association may also meet by telephonic, video or other conferencing process.

ARTICLE 3

- 3.1 <u>Powers and Responsibilities</u>. The affairs and business of the Association shall be managed by a Board of Directors which shall have all of the powers and duties necessary for the administration of the affairs of the Condominium. The Board may do all such acts and things that are not prohibited by the Condominium Act, by the Declaration, or by these Bylaws directed to be exercised and done by the Association that are in the collective best interest of the Unit Owners. payable in advance on or before the first day of each month for said month. .

c. <u>Operating of the Common Area</u>. Providing for the operation, care, upkeep, replacement and maintenance of all of the Common Area (other than Limited Common Area) and also for any Unit or Limited Common Area if the Unit Owner or Unit Owners have failed or refused to perform maintenance or repair of their Unit and/or Limited Common Area within a reasonable time after written notice of the necessity of said maintenance or repair is delivered to such Unit Owner(s) and such maintenance or repair is reasonably necessary in the opinion of the Board of Directors to protect the Common Area or preserve the appearance and/or value of the Condominium.

d. Omitted.

- e. <u>Insurance</u>. Obtaining and carrying out insurance against casualties and liabilities, as provided in the Declaration and Bylaws, and paying the premium cost thereof and making, or contracting for the making of, repairs, additions, and improvements to, or altering of the Condominium, and the restoration of the Condominium, in accordance with other provisions of the Declaration, after damage or destruction by fire or other casualty.
- f. <u>Accounting</u>. Keeping books with detailed accounts of the receipt and expenditures affecting the Association, and the administration of the Association and of the Condominium.
- g. <u>Repair and Reconstruction After Casualty</u>. - c. The Unit Owner of each Phase shall elect a person to serve on the Board of Directors.
- d. Any vacancies on the Board shall be filled by the vote of the Unit Owners of the Phase who elected the resigning member and such person so elected shall be a director for the remainder of the term of the director so replaced.
- e. Notwithstanding any provision of the Declaration or Bylaws to the contrary, Unit Owners present in person or by proxy at any meeting of the Unit Owners at which a quorum is present, may remove any member of the Board of Directors, with cause, if the number of votes cast in favor of removal exceeds the number of votes cast in opposition to removal, provided that:
 - (i) The Unit Owners may not consider whether to remove a member of the Board of Directors or an officer elected by the Unit Owners at a meeting of the Unit Owners unless that subject was listed in the notice of the meeting.
 - (ii) At any meeting at which a vote to remove a member of the Board of Directors is to be taken, the member being considered for removal shall have a reasonable opportunity to speak before the vote.

- 3.5 **Board Meetings**. Meetings of the Board and any committees shall be held and conducted in the following manner:

Not less than once each quarter, the Board of Directors shall, subject to the provisions of (f) below and RSA 356-B:37-d (executive session), hold an open regular meeting during which Unit Owners shall be afforded a reasonable opportunity to comment on any matter affecting the Association. At its discretion, the Board of Directors may meet in a meeting not open to Unit Owners provided the meeting is recorded and the recording is made available to Unit

- c. Unless the meeting is included in a schedule given to the Unit Owners or the meeting is called to deal with any emergency, the Secretary shall give notice of each meeting of the Board of Directors to each Board member, to the Unit Owners, and to each Investor Limited Partner. The notice shall be given at least ten (10) days before the meeting and shall state the time, date, place and agenda of the meeting.
- d. If any materials are distributed to the Board of Directors before the meeting, the Board of Directors at the same time shall make copies of those materials reasonably available to Unit Owners and each Investor Limited Partner, except that the Board of Directors need not make available copies of unapproved minutes or matters that are to be considered in executive session.
- e. In the case of self-managed community associations, meetings of the Board of Directors or committees expressly for purposes of implementation of decisions made in open meetings shall be exempt from the requirements of RSA 356-B:37 (Meetings), 356-B:37-a (Notice to Unit Owners) and RSA 356-B:37-c (Meetings of the Board of Directors and Committees of the Association) and this Section 3.5.
- f. <u>Executive Session</u>. The Board of Directors may hold an executive session only during a regular or special meeting of the Board of Directors. No final vote or action may be taken during an executive session. An executive session may be held only to:

 - (iii) Discuss labor or personnel matters.
 - (iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the Association at a disadvantage or prevent public knowledge of the matter to be discussed if the Board of Directors or a committee determines that public knowledge would violate the privacy of any person.
- g. **Quorum**. A quorum shall be deemed to be present throughout any meeting of the Board of Directors if persons entitled to cast more than one half of the votes of the Board of Directors are present at the beginning of the Board Meeting.
- h. <u>Meetings By Telephonic, Video or Other Conferencing Process</u>. The Board may also meet by telephonic, video or other conferencing process provided the requirements of RSA 356-B:37-c and Sections 3.5(a) (f), inclusive are also met.
- i. **Attendance by Officers**. The Officers of the Association shall have the right to attend meetings of the Board of Directors, it being understood that only the Board of Directors

shall have the right to vote at such meetings.

- Standard of Care. The Board of Directors acts on behalf of the Association and 3.6 shall have a fiduciary relationship to members of the Association. The Board shall not undertake any of the Activities prohibited by RSA 356-B:40(II). In the performance of their duties, members of the Board of Directors appointed by the Declarant shall exercise the degree of care and loyalty to the Association required of a trustee. Officers and members of the Board of Directors not appointed by the Declarant shall exercise the degree of care and loyalty to the Association required of an officer or director of a corporation organized under RSA 292, and are subject to the conflict of interest rules governing directors and officers under RSA 292. The standards of care and loyalty described in this Section 3.6 apply regardless of the form in which the Association is organized. The Unit Owners shall and hereby indemnify and hold harmless each of the members of the Board of Directors from and against all contractual liability to others arising out of contracts made by the Board on behalf of the Unit Owners unless any such contract shall have been made in violation of this standard of care. The members of the Board of Directors are not to be personally liable (except as Unit Owners) with respect to any contract made by them on behalf of the Unit Owners, unless made in violation of this standard of care. Every written agreement made by the Board on behalf of the Unit Owners shall, if such agreement allows, provide that the members of the Board of Directors are acting only as agents for the Unit Owners, and the person executing the contract shall have no personal liability thereunder (except as Unit Owners). The Association shall indemnify all members of the Board of Directors from all threatened, pending or completed actions, suits or other legal proceedings whether or not based in contract, by reason of the fact that a member of the Board of Directors is or was a member of the Board of Directors, or officer, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement incurred by the member of the Board of Directors in connection with such action, suit or proceeding unless such member of the Board of Directors violated the standard of care.
- 3.7 **Fidelity Bonds**. The Board of Directors may require that all officers or agents of the Association handling or responsible for funds, furnish adequate fidelity bonds. The premiums on such bonds shall constitute a Common Expense.
- 3.8 <u>Dispute Resolution</u>.
