AMENDMENT

January 27, 2012

Public Service of NH
780 North Commercial Street
Manchester, NH 03105

RE: Amendment to approved site plan for expansion of existing substation plus conditional use. The approved Phase I expansion is going forward but the approved Phase II expansion will not. Changes in drainage and grading and other minor elements are being made to the site plan to accommodate the change. Case # 122-93-I2-09

Dear applicant:

This is to inform you that the Rochester Planning Board at its January 23, 2012 meeting **APPROVED** your application referenced above. The amendment per the November 23, 2011 plans was approved. The buffer markers will not need to be installed in the vicinity of the swale since the buffer will no longer be present.

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Michael Behrendt
Chief of Planning
