RE: Clarification for required location of guardrail in vicinity of drainage basin for approved subdivision. Case # 206-8-A-04

Dear Peter:

This is to inform you that the Rochester Planning Board at its November 7, 2011 meeting reviewed your request for a clarification for location of the guardrail. We will ask Peter Nourse, the City Engineer for his recommendation about which area, if any on the right side of the road, situated between the ledge outcropping (near the drainage basin) and Chestnut Hill Road, should be protected with a guardrail.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Michael Behrendt
Chief of Planning
