RE: Site plan to establish a daycare to care for six preschool and three school age children.
Case # 240-67-R1-10

Dear Mr. and Mrs. Provencher:

This is to inform you that the Rochester Planning Board at its November 1, 2010 meeting **APPROVED** your application referenced above.

The application was approved with the following conditions:

- The Family Day Care Home is allowed to continue to operate now pending state approval (unless otherwise prohibited by the state) and compliance with the fire safety requirement below.
- The site must pass a fire safety inspection by December 6, 2010. If it does not pass this inspection by December 6 then the operation must cease unless an extension is granted by the Planning Board.
- This approval is for a family day care home as defined in the City of Rochester Zoning Ordinance (allowing for a maximum of six preschool children plus a maximum of three part time/school age children).

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Michael Behrendt
Chief of Planning
