ZONING BOARD OF ADJUSTMENT

NOTICE OF DECISION

Case No 2012-21

August 10, 2012

2012-21 Application by Sakuntala, LLC/Newport Computers for a variance under Article 42.9 Section (b)(17) of the City's Zoning Ordinance to permit parking spaces that exceed the number required per employee but are less than what is required per the size of the building (max. employees/shift is 32 requiring 22 spaces; 45,000 sf. results in the need for 75 spaces; 41 spaces provided)

Location: Innovation Drive and Airport Drive
Map 242 Lot 1 Industrial 2 Zone

The above variance was **GRANTED** as presented, at the at the Zoning Board of Adjustment's August 8, 2012 meeting, by an affirmative vote of at least three members of the Zoning Board of Adjustment for the following reasons:

- The variance is not contrary to the public interest because it will not increase congestion in the streets.
- The spirit of the ordinance is observed because it will not negatively impact health and the general welfare.
- If granted, the benefit to this individual applicant outweighs any harm to the community as a whole.
- The value of surrounding properties will not be diminished because it will not generate levels of noise, light, activity or traffic that are significantly different from that which currently exists.
