Re: Lot line adjustment to accommodate site plan for Snecma Safran Group/Albany International. A portion of the lot for the site development will become part of the City's right of way, which will provide access to the site. Case # 242-5- & 6-12/A-12. **Modification from earlier approval of May 7, 2012.**

Dear Mr. Nourse:

This is to inform you that the Rochester Planning Board at its May 21, 2012 meeting **APPROVED** the application referenced above.

"Applicant", herein, refers to the property owner, business owner, individual(s), or organization submitting this application and to his/her/its agents, successors, and assigns.

Precedent Conditions [Office use only. Date certified: _____ ROD received? _____]

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Department. Certification of the plans is required prior to issuance of a building permit or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

Please note* If all of the precedent conditions are not met within 6 calendar months to the day of the board's approval - by November 21, 2012 - the board's approval will be considered to have lapsed and resubmission of the application will be required. It is the sole responsibility of the applicant (or his/her agent) to ensure that these conditions are met by this deadline. We urge the applicant to carefully track his/her progress in meeting the individual conditions. See RSA 674:39 on vesting.

- 1) Plan modifications. The plan drawings are to be modified as follows:
 - a) Show corner monuments along new lot line.
 - b) Show metes and bounds on missing section of proposed right of way
- 2) Final drawings. (a) One set of mylar plus (b) five sets of large black-line plus (c) one set of 11"x17" final approved plans plus (d) one electronic version by pdf or CD must be on file with the City. *Each individual sheet in every set of drawings must be stamped and signed by the*

the City. *Each individual sheet in every set of drawings must be stamped and signed by the land surveyor, engineer, or architect responsible for the plans.* (The applicant need only submit additional black-line sets of drawings or individual sheets, as needed, to make five complete sets - consult the Planning Department.) At the discretion of the Planning Department minor changes to drawings (as required in precedent condition, above) may be marked by hand. Note. If there are significant changes to be made to the plans, as specified above, one full size paper check print must be sent to the Planning Department for review prior to producing these final drawings. (The primary set of plans was last received May 11, 2012.)

General and Subsequent Conditions

All of the conditions below are attached to this approval.

- 1) The lot line adjustment approved by the Planning Board on January 23, 2012, pertaining to the .91 acre parcel that was to be conveyed from Lot 242-5 to Lot 242-6 is null and void. (The other lot line adjustment approved on January 23 pertaining to Lot 242-3 and Lot 242-4 is still in effect.)
- 2) The lot line adjustment approved by the Planning Board on May 7, 2012 pertaining to this parcel is null and void.
- 3) This lot line adjustment herein applies to the drawings received by the Planning Department on May 11, 2012.
- 4) When the final drawings for the related site plan for Safran are submitted very minor adjustments to the metes and bounds on the site plan may be made to ensure that the boundaries of the site align with this lot line adjustment herein.
- 5)# Recording. The plat, this notice of decision (per RSA 676:3 III), and deed (a deed is required if the lots are owned by two separate parties or if one lot is sold prior to recording of this plat; see precedent condition above) must be recorded together at the Strafford County Registry of Deeds within two calendar months to the date the plat is certified (e.g. if certified September 9th they must be recorded by November 9th). See RSA 478:1-a regarding plat requirements. **Failure to comply with this requirement herein shall render the lot line adjustment null and void.**
- 6) Execution. The project must be executed exactly as specified in the approved application package unless changes are approved by the City.
- 7) Approval. All of the documentation submitted in the application package by the applicant and any requirements imposed by other agencies are part of this approval unless otherwise updated, revised, clarified in some manner, or superseded in full or in part. In the case of conflicting information between documents, the most recent documentation and this notice herein shall generally be determining.
- 8) Other permits. It is the responsibility of the applicant to obtain all other local, state, and federal permits, licenses, and approvals which may be required as part of this project. Contact the City of Rochester Code Enforcement Department at 332-3508 regarding building permits.

(Note: in both sections above, the numbered condition marked with a # and all conditions below the # are standard conditions on all or most applications of this type).

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,
