PLEASE	NOTE THE FO	LLOWING:						
1) A separate sheet must be provided for each street name proposal. Include a copy of the subdivision plan or map showing the street location.								
2) Consider the proposed names with great care.								
Street names can affect the marketing of a project, neighborhood image and property values. Names that are irregular, confusing, difficult to spell or pronounce, highly personalized or otherwise inappropriate are discouraged. Such names may be rejected by the E911 Committee. Names with a relationship to the location (such as a historical event, architectural or archaeological element, geographic feature, local vegetation, etc.) are encouraged.								
3) Names that sound like an existing street, or one that duplicates the first four letters of an existing street name in Rochester may be rejected.								
Refer to our website for a list of current street names in use: www.rochesternh.gov On the Assessing Department page select the "What Tax Map is My Street On" link. The "Select Your Street Address" drop down box contains a list of all the street names in Rochester.								
4) <u>Do Not Use</u> terms such as: Street, Drive, Court, Lane, etc. These are determined by the E911 Committee based on the type of road.
