MINUTES

1. **New DPW Facility Sitewalk** – The Committee met at 4pm to walk the site and discuss the project.
2. The party toured the construction site of the new DPW facility. Solid progress is evident with vertical steel in place and much grading, drainage salt shed and underground utilities complete. Meeting adjourned at 4:40 p.m. Committee members were pleased with progress and quality.

Minutes respectfully submitted by Peter C. Nourse, Public Works Director.
