To whom it may concern:

We received a copy of your RFP for GASB45 Actuarial Services and would be delighted to respond. We do need some further information so that we can evaluate the scope of the project. Can you please supply the following information separately for the City, the Towns, and the District?

- Approximate number of active employees in benefit eligible positions (i.e. who will qualify for retiree medical benefits upon retirement) **224**
- Approximate number of retirees and their dependents receiving retiree medical / dental / life insurance **110**
- Insurance benefits provided to retirees: medical / dental / life **Medical & Dental**
- Number of medical and dental plans that cover retirees (you can omit plans that only cover a handful of individuals) **Medical - 4; Dental 2**
- Percentage or amount of the premium paid by the retirees **100% pd by retiree or NH Retirement System medical subsidy**

Please let me know if you have any questions.

Hi Brian

I received a request from Linda Casey to provide the info you needed for Bid #09-38. I think I have what you need, but please review the figures and let me know if it doesn't look correct.

We have 770 full & part time employees who are benefit eligible (615 f/t & 155 p/t) all of whom could have retiree benefits, if they choose.

There are 195 retirees & dependents with medical plans. There are 159 retirees & dependents on dental plans. Very few of the dental plan subscribers are not on the medical.

We have no figures on retirees who may have converted their life insurance to personal plans.

The bulk of the retirees fall into only 2 medical plans - Blue Choice and Medcomp 3. There are only two dental plans represented.

Unless eligible for NHRS subsidy, the retirees pay 100% of the cost of medical and, since subsidy does not apply to dental, 100% of dental.

If you need more, just let me know.

- Approximate number of active employees in benefit eligible positions (i.e. who will qualify for retiree medical benefits upon retirement)

80 active employees enrolled in medical

- Approximate number of retirees and their dependents receiving retiree medical / dental / life insurance

24 Retirees receiving Medical; 8 retirees receiving Dental

- Insurance benefits provided to retirees: medical / dental / life

LGC provides medical and dental coverage to Durham retirees.

- Number of medical and dental plans that cover retirees (you can omit plans that only cover a handful of individuals)

4 plans however two of them only cover 1 retiree/spouse/family each.

- Percentage or amount of the premium paid by the retirees

It's 100% retiree paid even if they are getting the NHRS subsidy.

Hi Brian,

Sorry for the delay. Our answers are as follows:

1. Active employees – 178 employees as of May 19, 2009.
2. Current retirees/spouses/dependents are approximately 62 as of May 19, 2009.
3. Retirees are eligible for medical and dental coverage only.
4. There are 6 plans that cover retirees; two are Medicare supplemental plans.
5. The Town does not contribute towards retiree premiums. Only the implicit subsidy must be valued.

Please let me know if you need additional information.

Thanks,
Sue
