

Good afternoon Mr. Marincic,
I am sorry it should be the granular and a price per pound.
Attached is the bid tab from last year that you requested.

Thanks

Lisa

Questions and Answers

Bid 10-33

- 1- The bid price table asks for a granular orthophosphate product, but the unit of measure calls for a price per gallon. Can you please clarify whether you are asking for a dry or a liquid product?

Answer:

1. should be the granular and a price per pound
