Hanson Pines Park
adjacent to Spaulding High School on Yeagley Way

Natural Resources Master Plan Chapter Update

COMMUNITY INPUT SESSION AGENDA

PURPOSE Learn about Rochester's natural resources and measures to protect and conserve natural resources. Share your concerns, interests, and ideas.

SCHEDULE

- 5:00 PM Sign In and Refreshments
5:10 PM Welcome, Introductions, and Natural Resources Chapter Overview
5:20 PM Visit Posters
5:30 PM Group Discussions
1. Rochester's Natural Resources - What are they? What is important to you.
 2. Protecting and Preserving Natural Resources - What are current protection measures? What else can we do to enhance enjoyment and protection of natural resources?
 3. Visioning - What should change? What should be different?
- 6:15 PM Visit Posters
6:30 PM Adjourn

Visit the Cocheco River via the Hanson Pines Trail before or after the event!
