SCOPE OF WORK

The City of Rochester is looking to purchase a New 4 Wheel Drive Extended Cab 3500 Truck with Utility Body.

Bidders should be aware that the City may not make an award to the lowest bidder. The City reserves the right, in its own judgment, to make an award it feels will be in its best interest over the projected life-cycle of the truck. The City retains this discretionary right based on its experience with similar makes and models, as well current market value for similar vehicles. Bidders are encouraged to provide detailed information on their warranties along with a list of local municipal references (within 50 miles of Rochester). The City intends to check local references to verify successful vehicle performance for similar intended duty.

The City reserves the right to trade in the vehicle, or whatever it deems in its best interest.

The trade in vehicle may be viewed by appointment only at the Department of Public Works, 209 Chestnut Hill Road, Rochester, NH. You may set up an appointment by calling either Highway Supervisor Ken Henderson or Lead Mechanic Ken Brisson at (603) 332-4096.
