Good Afternoon Mr. Ramsay,

Note that all bidder questions are posted on the City's website. That is why we specify in our bid documents that all bid questions are directed to purchasing@rochesternh.net and bidders are directed to monitor the website.

I will cc: purchasing on this response so that this will be posted on the City website Monday along with your previous questions that was answered. We will not be doing an addendum. I have attached a copy of the bid documents for your reference.

Please estimate 40,000 miles for the 10 year buy back request and 60,000 miles for 15 year buy back request.

Again, thank you for your interest in our vehicle bid and please submit any additional questions to purchasing@rochesternh.net

Thanks

Lisa

Lisa,

I am still in need of the " expected " miles and hours that the truck will have in year 10 as well as 15, as I am certain that any dealer would need to know this information as well. Also it is my belief that an addendum should go out regarding the " buy back " , as it clearly states in your bid request " Guarantee price for buy back of Complete truck " , it does not state cab and chassis only. I believe that this is pertinent information that all bidders should be aware of so that an equal and fair value will be offered by all.

Thank you,

Jim Ramsay
