

## HOW DO I GET A FREE VOTER ID?

If you do not have an approved photo ID, you can get a free photo ID for voting. To get a free voter ID, start at your Town Clerk's office. The clerk will have you sign an affidavit that you do not have a valid photo ID, verify that you are on the voter checklist, and give you a voucher. Take the voucher to any Division of Motor Vehicles (DMV) office and get your free voter ID.

**IMPORTANT:** A voter ID is NOT THE SAME as a non-driver's ID. The free voter ID is for voting purposes only.

## HOW DO I GET A "NON-DRIVER PHOTO ID"?

A non-driver ID is an official photo ID issued by the NH Division of Motor Vehicles (DMV). There is a \$10 fee for a non-driver ID, and you must complete the same paperwork and show the same documentation of identity and residency that you would for a driver's license. You can apply for a non-driver's ID at any Division of Motor Vehicles (DMV) Office. A non-driver ID is valid for voting purposes, and also can be used as an alternative to a driver's license for other purposes where a government-issued ID is required.

## State of New Hampshire Voter ID Law

### How does this law change the way I vote?

You will be asked for a photo ID at the polls.  
You can still vote if you do not have one

According to the NH Secretary of State:

For any election *before* Sept. 1, 2013, you will be asked to provide one of the following:

- Driver's license issued by any state (even if expired);
- ID card issued by NH DMV (Division of Motor Vehicles);
- U.S. Armed Services ID card;
- U.S. Passport (even if expired);
- Valid photo ID card issued by either the federal government or a state, county or municipal government;
- Valid student ID card
- Other photo ID deemed legitimate by the supervisors of the checklist, the moderator, or the clerk; or
- Verification of identity by a supervisor of the checklist, the moderator or the clerk.

### What if I do not have an approved Photo ID? YOU CAN STILL VOTE!

Before November 1, 2012, any voter who does not present an approved photo ID will be informed of the new law and permitted to vote.

Between November 1, 2012 and September 1, 2013, any voter who does not present an approved photo ID will be permitted to vote after executing a "challenged voter affidavit."

A voter who does not have an approved photo ID may obtain a free photo ID for voting purposes only by presenting a voucher from their town/city clerk or the Secretary of State to any NH DMV office that issues identification.

After November 1, 2012, if you filled out a "challenged voter affidavit" in order to vote on Election Day, you will receive a verification letter from the Secretary of State, requesting confirmation that you voted in the election. If you do not respond in writing to the Secretary of State within 90 days of the date it was mailed, the Attorney General will conduct an investigation to determine whether fraudulent voting occurred.
