

Recreation & Arena Advisory Commission Meeting
January 13, 2020
Rochester Arena Conference Room

Attendance: Paul Roberts, Dale Bickford, Dave Anctil, Dick Clough, Lauren Krans, Kevin Barry, Bob Brown, Chris Bowlen, Dave Colson

Accept December Minutes

Bob Brown motion to accept. Kevin Barry second.

Review Revenue and Expense Reports

Dale Bickford motion to accept. Bob Brown second

Update on Turf at the Arena

Arena Supervisor Steve Trepanier worked closely with the finance department to receive approval on getting quotes instead of going out to bid.

The lowest quote was from a company out of Canton, MA. We will be planning spring programs for the turf over the next few weeks.

Department Program Fee Review

The department is being proactive in reviewing registration fees to make sure they are appropriate and aligned with our mission.

The board supported the adjustments to program registration fees and remaining free programs as presented.

The department will focus on exploring adjustments to Senior Programs and leave Open Gym programs status quo for now.

The board suggested the department creates a Senior feedback survey to get input on

- Residency v non-residency rates
- Senior Program Punch Cards
- Creation of a Senior Representative Board

Other

Dave Colson relayed a question from a parent about why SHS Physical Education Classes are asked to bring a change of shoes in order to use the gym. Asst. Director Krans explained that SHS is the largest outside user group of the gym and it's a controlled group, so it's easy to provide expectations for them to help maintain the gym floor.

Dale Bickford motion to end meeting. Bob Brown second.
