To the Board of Trustees:

Enclosed you will find a check for \$1,000, a bequest as specified in the trust of Carolyn C. Rose who died June 14, 1996. As you know better than I, Mother was an active friend of the Library for many years. Her feeling of support for your activities did not end when she moved to Phoenix for sunshine, orange trees and, in the end, two daughters.

7/17/96  
Dear Ms LeBlanc,  
On behalf of the Friends of the Rochester Public Library, I write to acknowledge your recent advancement of the \$1,000 bequest from your mother's trust. Carolyn was indeed a "true friend" of the Rochester Public Library. Her spirit and involvement is something to be remembered. We most sincerely appreciate her recognition and warm bonds of the library. The monies will be used by the Trustees in accordance with the specifics of Carolyn's trust bequest.

Sincerely,  
C. Anderson, Trustee  
Chair

Her trust specifies that the money is to be used for general library purposes, at the discretion of the library trustees.

Sincerely,

*Anna LeBlanc*

P.S. On behalf of our library director,  
Cynthia Scott, I ask if it would  
be possible for you or your sister to  
provide us with a good picture of your  
father, Henry. It need not be a large  
picture but something we could use to  
get a larger picture made from to be  
put in the new Rose Room at the  
Library. Thank you in advance for  
your assistance.
