City of Rochester
Trash & Recycling
Services 2022

© 2021 WM Intellectual Property Holdings, LLC.

Dear Rochester resident,

Waste Management looks forward to continuing to service the residents of the City of Rochester to help your community be as clean - and green - as possible. We'd like to take this opportunity to provide you updated information related to your trash and recycling services.

For more information

Department of Public Works: (603) 332-4096
City website: www.rochesternh.net
Waste Management: (800) 972-4545

Thank you and we appreciate your cooperation.

Sincerely,
 Waste Management

Schedule

Trash and recycling are collected weekly. All materials should be placed at the curb by 7:00 a.m. on your collection day. Please see the **2022** Calendar on an adjacent panel that indicates special collection dates like yard waste and bulky waste.

Trash

All regular household refuse must be bagged and placed in your 64-gallon green cart only for collection. Materials may not protrude from the cart and the lid must securely close.

Note: Do NOT place recyclables in the SOLID green cart.

The following items will NOT be accepted in the trash cart:

- Dirt, sod, concrete or rock
- Construction/demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas or paint

If you have any normal household garbage that is not recyclable and does not fit into your cart, you can place the excess garbage in 30 gallon bags and affix a sticker on each bag. Stickers can be purchased at the Tax Office for \$1.75 each. Bags must be brought to the Turnkey Drop-off Center for disposal NOT to be placed curbside.

Leaf & Yard Waste

During the special Yard Waste collection weeks identified on the adjacent calendar, please put all leaves in paper bags for pickup on your regular trash day.

Care and use of the cart:

- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Since automated waste collection requires clearance for the vehicle's lifting mechanism, any cars parked at the curb should be at least 5 feet from the trash cart.

The placement of the cart is very important as the collection vehicle's lifting arm requires clearance of at least 3 feet on both sides of the cart and 12 feet overhead. Carts should be no more than 3 feet away from the road's edge, **with** the arrow facing the road and handles facing the house.

Carts should remain on the property at all times and are the property of the City of Rochester. Please do not take the containers with you if you move. All carts should be labeled with your property address. Should your cart require repair, please call Waste Management at (800) 972-4545.

Recycling

Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.

- Only materials inside your recycling containers will be collected.
- Large cardboard boxes must be broken down and placed inside the bin.
- Recycling containers should be placed curbside every week on the same day as your trash collection.
- All recyclables can be commingled in cart with yellow lid.
- Recyclables should be placed loose in carts, do **NOT** bag any recyclables placed in cart.
- See a list of all acceptable recycling materials on the adjacent panel.

RECYCLE RIGHT

Great things happen when **Rochester** residents use **Recycle Right**. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved. To learn more visit wm.com/recycleright.

- Place only the acceptable recyclables pictured below in the recycling cart.
- Plastic bags are **NOT** acceptable in the recycling cart.
- Please empty all loose recyclables directly into cart.

ALWAYS RECYCLE

DO NOT INCLUDE IN YOUR MIXED RECYCLING CONTAINER

Holiday Schedule
 When an observed holiday falls on a normal collection day, collections will be delayed by one day for the rest of the week. The following holidays may result in delayed collections:
Memorial Day ~ Independence Day ~ Labor Day ~ Thanksgiving Day
