Dear Ms. Harrington:

Enclosed please find a check payable to The Rochester Trustees of the Trust Funds in the amount of \$10,000. This check is to establish a perpetual care fund for the French-Hussey Cemetery located on Washington Street in Rochester, New Hampshire.

Please establish a French-Hussey Cemetery Perpetual Care Fund and distribute the annual income to the Rochester Cemetery Association for grass mowing, general maintenance and upkeep of the cemetery. The cemetery has recently been enhanced and our desire is to have it continue in this present state. Upon establishment of the fund, please notify me of such.

If you have any questions, please do not hesitate to call.

Thank you.

Very truly yours,

John J. Roche
